The Vampire Who Lost His Tooth

By Alex

One morning a vampire named Vince woke up. He went to his bathroom mirror. "Ahhhhhhhhhhhhhh!" he screamed. Vince had lost his right fang! He went back to his bedroom and flung the door open. He shouted, "How am I going to be able to suck blood now!!?"

He looked around his bed until he found it. After dinner he put it under his pillow for safe keeping. That night when he was asleep something shiny appeared at the window. The Tooth Fairy!!

She went in. She swapped the tooth for 500 Drachma! That's $1.75 in the U.S.A! The next morning Vince woke up. He found the 500 Drachma and a note from the tooth fairy.

It said "Dear Vince, don't worry, your tooth will grow back in." Vince was very surprised.

He went downstairs. He asked his Mom for some Blood orange slices. Don't worry, Vince's tooth will grow back in soon. The End.
