

# The Mushroom Hunt

BY: Kooper B

VROOM! I was in the car with my family. There were trees all around. We saw bushes and we thought we saw huckleberries but it was just some poison berries.

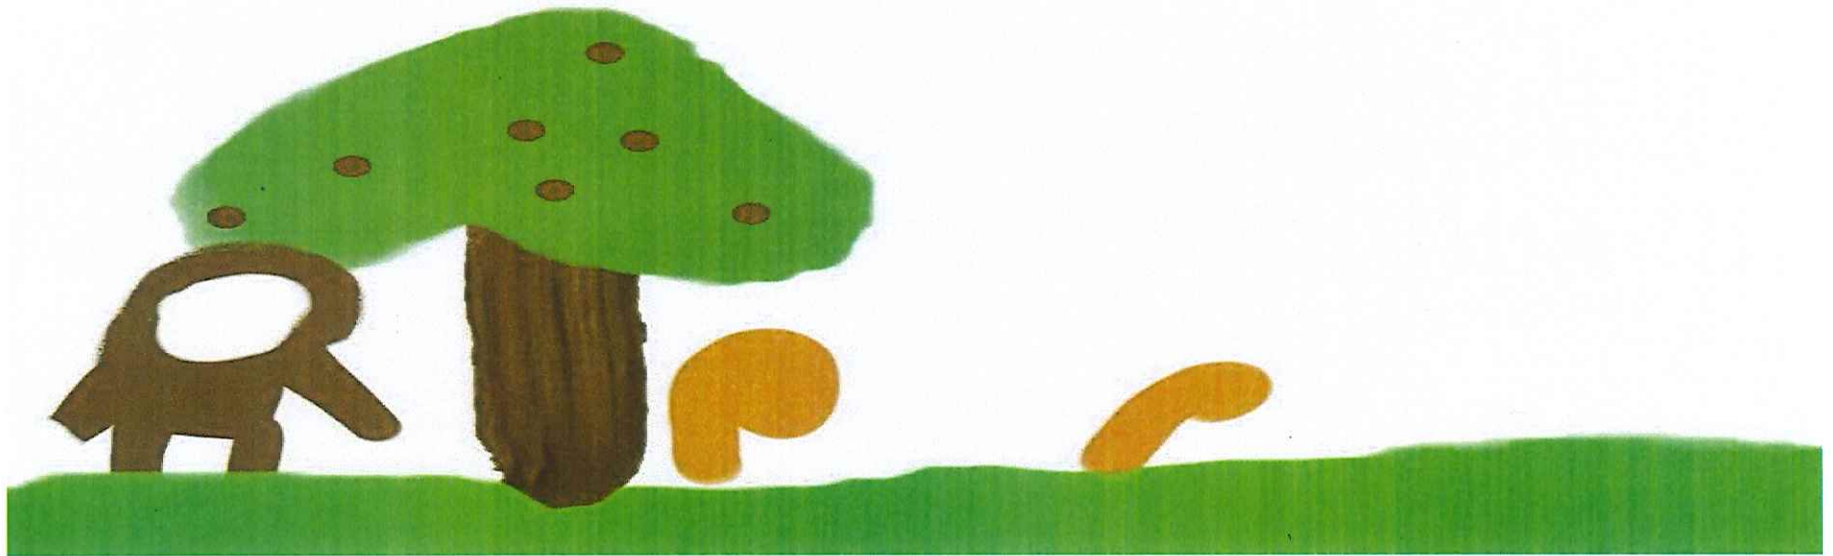

We were really after mushrooms because it was mushroom season. We found a whole lot and we had to get them ALL!

This was just the beginning... only one of our bags was full. We started searching for brain mushroom because my family loves them! Well almost everyone, my brother Kerdyn and I do not.

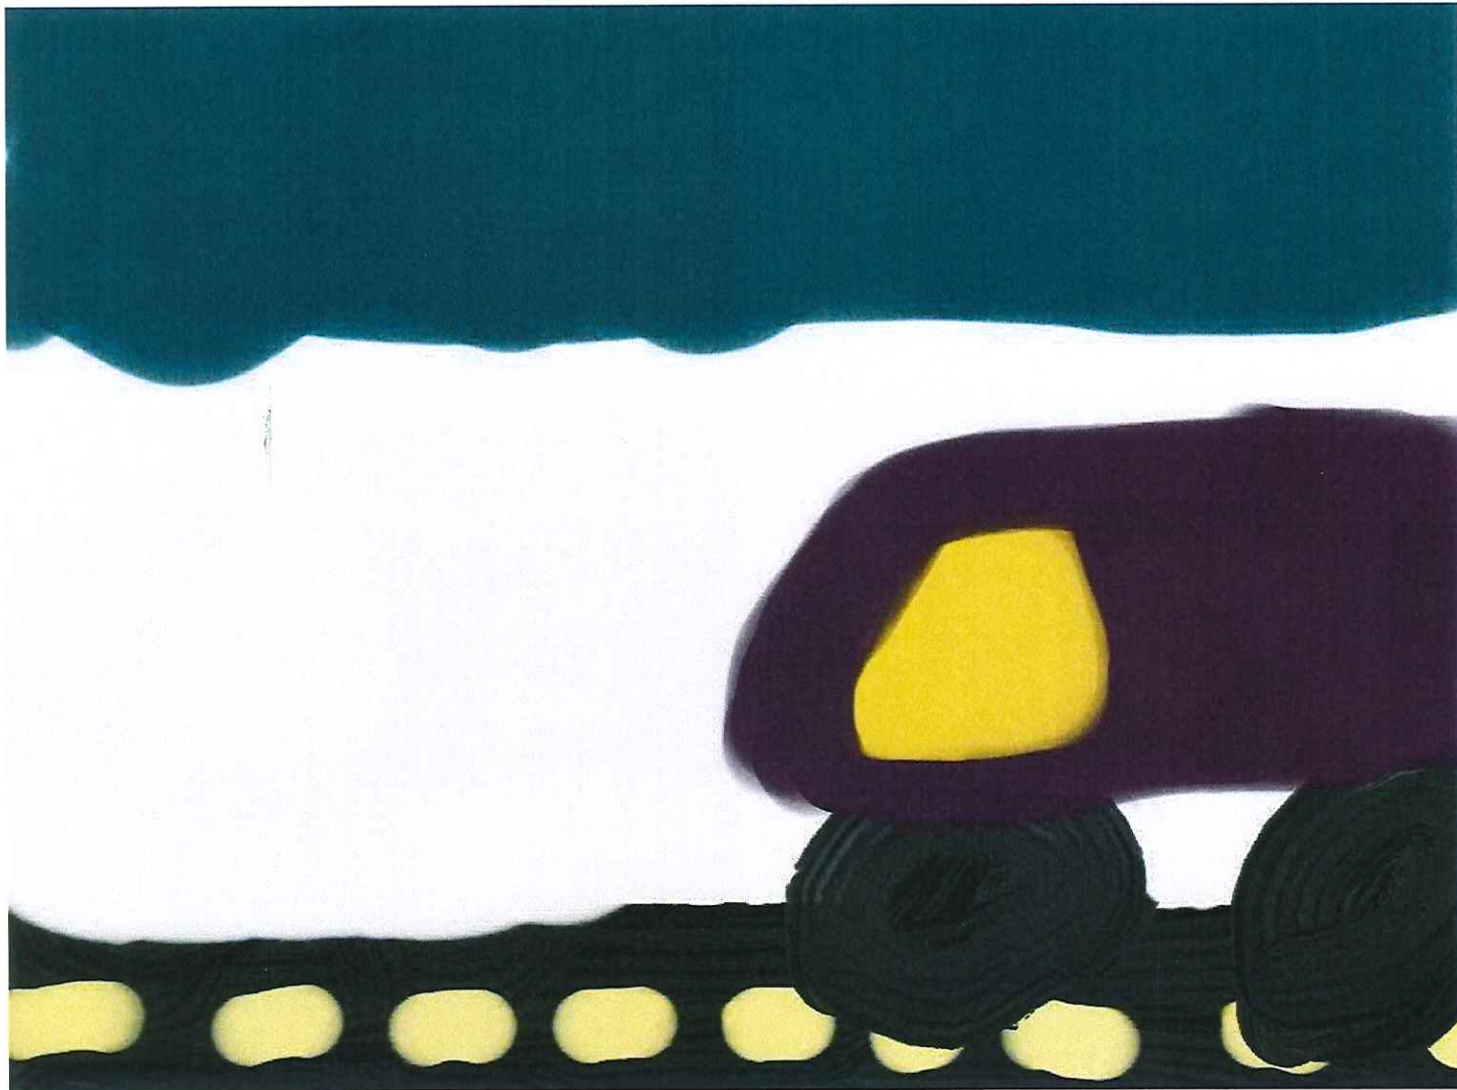

We thought that they were all gone but we kept looking anyways. It was like we were searching for gold! It took us about forty minutes and then we found the ackpot! There were so many. We now had four bags full then Kyler found a mushroom about 6 inch tall and 4 inches wide I said Nice!!!

I asked, "Is there such a thing as a mushroom seed?" I wanted to know why we didn't just grow them in are garden?

Eventually Kovyn's bag was full and my bag was a quarter full. Everyone found some more and their bags were heavy. It was now sunset and we had to head back

It was raining when we got back so we we rushed though are driveway into our house. I thought it was the best day ever! I got to spend so much time with my family. I was excited even though I do not like **mushrooms**. I learned you can have fun even if you don't like something.
