Penguin's Big Adventure
by Juliette
Penguin was a nice little penguin.
One day Penguin told his parents he would be back soon.
Then...PENGUIN WENT ON HIS BIG ADVENTURE!
He had found a boat full of people and he went there to say...HI!
But before Penguin could say hi the boat started to move.

Penguin shouted: STOP!
They didn't hear him. The boat kept moving and leaving the port.

Penguin said: UMMMMMMMM...
He then saw an iceberg so he jumped on it!
There he found a polar bear.
The polar bear jumped in the water to find some food!
Penguin used his beak to break pieces of the iceberg.
Then he jumped on one of the pieces to float back home.
