

Mermaid Lillys Adventure

Mermaid Lilly was on an
adventure swimming
with her Pet dolphin
seasea.

Sowka the evil witch shouted
"You got that little happy,
adventurous mermaid or I will put
you in a dungeon." Clinks the
mean shark was splashing wildly
with all the other colorful fish
hiding in the water.

Clinks chased them to the
evil witches castle in
the water

Dinks finally captured
Lilly in Sowkas castle.

Seasea finds his friends
and they rescue Lilly
and they celebrated!
