

Clifford: Dogbot

Samantha: Hello, robots! Nice shirt, Emily Elizabot!

Emily: Nice shirt, Samantha! Won't you please join us?

Mrs. Mulberry: It would be our pleasure! Ooo! Something smells delicious!

Dr. Mulberry: And what a beautiful bouquet!

Mrs. Howard: Well, great job completing your errands! And (sniffs) fresh wildflowers too?

Emily: What can we say? Robots always complete their robo-mission! But they take their time and do it right.
