Dear Friends,

On behalf of myself and all of the staff here at KBTC, please allow me to extend our gratitude to you for your continued support!

Each day, we are inspired by you and your belief in the value of public television. Together we connect people, nurture young minds and spark curiosity through insightful, educational, and entertaining programs presented without commercial interruptions and without the influence of advertisers.

Behind the scenes, we have a small but mighty team working to make it all happen. With just 30 full and part-time staff, we’re proud to be your partners in elevating the power of media to provide trusted, vetted, world-class education and entertainment free and accessible to all.

Together we create spaces where you and your neighbors can continue to explore new ideas, convene honest conversations, and celebrate what is most important to us here in the Pacific Northwest.

When people can tell their stories, share their perspectives and grow up in nurturing environments, our community is stronger, more connected and more informed. We’re honored and grateful to work with you in fulfilling this vision.

Wishing you and yours a wonderful Thanksgiving,

With gratitude,

DeAnne
