A local documentary helps prepare our communities for wildfires.

9pm Tuesday April 5. See page 3.
Dear Friends,

Earth Day is April 22, and this month is a terrific time to celebrate living in one of the most beautiful places on Earth – the Pacific Northwest! It’s also a great time to dive into the shows KBTC has on tap for you that feature our planet and all of its inhabitants while inspiring us to live sustainably, respect nature, and make the world a better place.

Tuesday nights always offer the opportunity to sneak a peek at our friends in the wild. I’m especially looking forward to NOVA: Reef Rescue (4/12, 8p) and Nature: Hippo King (4/19, 7p). For a look at New York’s Adirondack Park, be sure to watch A Wild Idea: The Birth of the APA (Wednesday, 4/21, 8p). And to learn how we can adapt to the growing wildfire dangers in Western Washington, be sure to watch Living with Wildfire (Tuesday, 4/5, 9p) from local filmmakers, North 40 Productions.

Your support provides a platform for all these informative, inspiring, and enlightening programs so that your family and neighbors can learn, reflect, and make positive changes of their own. That’s the power of your donation and it’s the power of PBS.

Thank you!

DeAnne Hamilton
