LETTER FROM WYOMING PBS

Hello Friend,
We hope you had a wonderful holiday season and are looking forward to a year filled with gratitude and hope.

2023 marks our 40th anniversary and we are so grateful for the support and encouragement from our members, donors, and viewers. We pledge to continue providing you with entertaining, informative and culturally uplifting programming wherever and however you enjoy Wyoming PBS.

While we continue to provide viewers our channels on cable and many satellite networks, along with a strong over-the-air signal, we have also expanded distribution of our local and national content to multiple digital platforms so you can watch your favorite programs anytime, anywhere.

To better reflect this digital growth, we’ve given our logo a little facelift. While the buffalo icon remains, we’ve added some modern elements along with the PBS logo to represent our commitment to telling Wyoming’s stories and sharing the trusted and inspired programming from PBS.

Thank you for your support, and we hope you have a joyous New Year!

Sincerely Yours,
Terry Dugas
