

* BUSY SUMMER *

DREW on the sidewalk with chalk or water.	Played a board GAME.	Took a WALK around my neighborhood and then drew a map of it.	Brushed my TEETH (without being asked to do it) for three days in a row.	Cleaned up my ROOM.
Did 30 jumping JACKS every day for five days.	READ two books (write the titles).	Was KIND to a friend or an animal.	Admired a FLOWER (draw the flower here).	Ate a HEALTHY snack (draw the snack here).
Drew and colored a picture of MYSELF.	LEARNED the definition of a new word that has more than 12 letters.		PHONED someone I haven't seen for a while to say hello.	Watched a KIDS SHOW on Prairie Public.
SANG a song in the mirror and pretended I was on television.	Made my bed every day for SEVEN days.	Wrote a short POEM.	Set the TABLE for dinner.	Ate a green or orange VEGETABLE.
Looked at cLOUDS to find animal shapes in them (draw that shape here).	HELPED with a household chore.	Played with my SHADOW on a sunny day.	Watched a BIRD. Gave it a fun name.	DANCED to three songs like nobody was watching.
