RESOURCES FOR EDUCATORS

PBS LearningMedia is a free resource for PreK-12 educators that supports distance learning, and provides resources to help explain the virus and promote healthy habits.

  This one-hour virtual learning event, hosted by PBS master trainers and educators, highlight a variety of tips, from student activities to digital tools and PBS LearningMedia hacks. Featuring insights applicable to elementary, middle and high-school classrooms, the session focused on skills, tips, and techniques you can apply tomorrow to prepare for successful distance learning, whether you’re working with your students in person or sharing lessons online.

Some of the tools covered include:

- **Google Classroom Integration**  Sync class rosters and assignments with Google Classroom. Easily create shareable folders of resources with students or colleagues.  [https://pbslearningmedia.org/help/google-classroom/](https://pbslearningmedia.org/help/google-classroom/)

- **Understanding Advanced Search and Browse Features**  Find the perfect resources to enhance distance learning lessons.  [https://pbslearningmedia.org/help/searching-and-browsing](https://pbslearningmedia.org/help/searching-and-browsing)

- **Remind Integration**  Does your school use Remind? Learn how to integrate PBS LearningMedia resources.  [https://pbslearningmedia.org/help/remind/](https://pbslearningmedia.org/help/remind/)

- **PreK - 12 Resources for Emergency Closings**  Get started with this collection and add more as you learn more or as is needed for longer periods of distance learning.
