**9:30PM Songs at the Center**

Hosted by singer-songwriter Eric Gnezda, from The Peggy R. McConnell Arts Center of Worthington (OH) (Pronunciations: Earle=Earl; MojoFlo= Moe-joe-FLOW; Barrie=Barry; Knicole=Ni-COAL, Kolhoff=COAL-hoff; Gnezda=NEZZ-duh). EMILY EARLE - Emily Earle, a graduate of Berklee College of Music, comes by her talent honestly, as she's the niece of Steve Earle. Her songs are a mix of heartfelt lyrics and contagious melodies - falling somewhere between early Miranda Lambert, classic Sheryl Crow, and unmistakable Linda Ronstadt. Influenced by the distinctive places she grew up, Emily combines Texas grit with Colorado cool. Emily's new music gives fans the honesty they've grown to love as well as a fresh edge. Emily co-wrote all six songs on her new EP and had Ashley Monroe, Angaleena Presley, Sarah Buxton, Steve Earle and Audley Freed lend their talents on the album. Emily is currently focused on promoting her new music, set to be released this spring. Her song "News From Colorado," written with Steve Earle and Allison Moorer, is on the new Steve Earle album. MOJOFLO (AMBER KNICOLE, GEORGE BARRIE & WALTER KOLHOFF) - Amber Knicole, George Barrie & Walter Cavanaugh Kolhoff, of the Neo funk group MojoFlo, are known for their captivating stage performance as their infectious rhythms and catchy lyrics. They were named "Best Band" (2016) by both Columbus (OH) Monthly and (614) Magazine for their dynamic live shows featuring Amber's vivacious vocals. MojoFlo has shared the stage with Rebirth Brass Band, Trombone Shorty, Big Sam's Funky Nation, Joan Jett, KC and the Sunshine Band and the Dynamites featuring Charlie Walker. ALFA - A Warner Music Philippines artist, Alfa was born in the Philippine countryside and raised on the East Coast as a classical musician, approaches her pop songs from a unique source, blending dynamic melodies with a sweet but textured voice and an array of instruments - guitar, ukulele, violin, piano, and the occasional kazoo. She draws lyrics from her life's rotating themes, from love to restlessness, to settling down, to self-reliance. Music Connection has called her "an artist who has a spectrum of colors in her palette, a songwriter with a knack for tickling a mainstream ear." Some notable venues played include the NAMM Main Stage, LA's Troubadour, Lincoln Center's Avery Fisher Hall in NYC, and The Bluebird in Nashville. ABOUT THE VENUE - Transformed from a retired high school built in 1915 into a thoroughly modern arts center and performance space, The Peggy R. McConnell Arts Center of Worthington is the home theater of Songs at the Center.

Hosted by singer-songwriter Eric Gnezda, from The Woodward Opera House, Mt. Vernon, OH (Pronunciations: D'Andrea=Dee-ANN-dree-ah; Bevan=BEV-ann; Gnezda=NEZZ-duh). DOC ROBINSON - Doc Robinson, inhabited by the duo of Jonathan Elliott and Nick D'Andrea, grew out of an informal songwriting session between the two artists. The two quickly realized they had a natural writing chemistry, and in the course of a month had written a hatful of songs. They teamed up with producer Mike Landolt, who has worked with artists ranging from Maroon 5 and Spin Doctors to OAR. Eventually, they recorded their first full-length album, Deep End, from which several of the songs found homes on television shows. They tour nationally, including with the Americana sensation, CAAMP, with whom they have also recorded. ALEX BEVAN - Alex Bevan is an Ohio songwriting legend, having worked with, among others, Hall & Oates, the Doobie Brothers, Pure Prairie League, Jimmy Buffett, and Billy Joel. He has also collaborated on a children's album, a musical fairytale with an environmental message titled, Who Killed the Dragon? This was followed by two award-winning critically acclaimed works: Magic Moments from the Children's Nature Schoolhouse, and All the Rivers Run. Alex earned an Emmy Award for the song, Rustbelt Blues, the final segment of NBC's American Promise documentary series. THE CARPENTER ANTS - The Carpenter Ants create and perform what they call "chicken-fried gospel soul," consisting of a full plate of feel-good harmonies and a solid groove. Together for 25 years, the "Ants" are a West Virginia institution, and have played throughout the South Atlantic region. They have two tours to Moscow to their credit and joined the Rev. Jesse Jackson for a 10-city tour. The Woodward Opera House in Mt. Vernon, OH, was built in 1851. Now on the National Register of Historic Places, the venue is one of America's oldest authentic 19th Century theaters in operation.
