Bell was happy with her lollipop, but...

It was peach flavored.
Bell was not too sure about this new flavor. She unwrapped the lollipop and slowly took the first lick.
The lollipop tasted sour. Then sweet. Suddenly she smelled fresh cut peaches in the air. Then she tasted them!
Bell wondered why she only ate grape lollipops and never tried any of the others!
Belle decided that from now on, she would only try new flavors of lollipops!
And she did!
