

# STICKMAN by Sophia B

How it all started...

Once there was a number 1 pencil and it could draw anything and everything. It drew stick dogs, stick girls, stick women, it drew stick everything! The most important was the stick man.

One day, a stick man was jealous. He decided to take the pencil and use it for evil until 2 stick men saved the day.

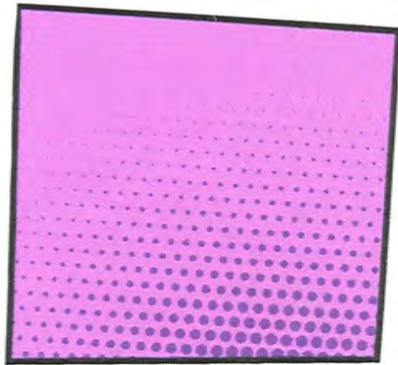

Hold on, what?!

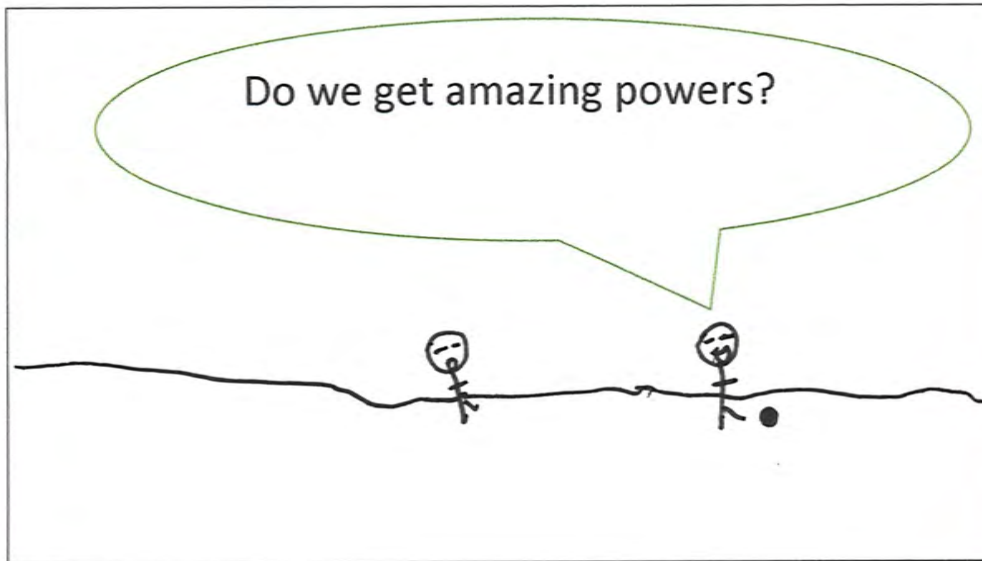

We save the day?

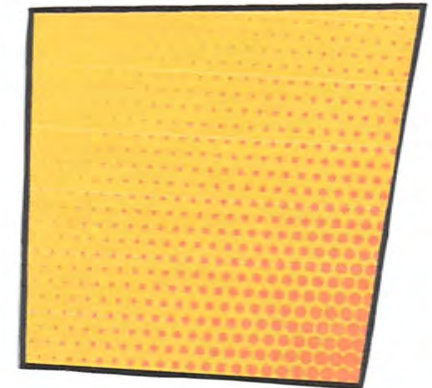

Yes, but...

Do we get amazing powers?

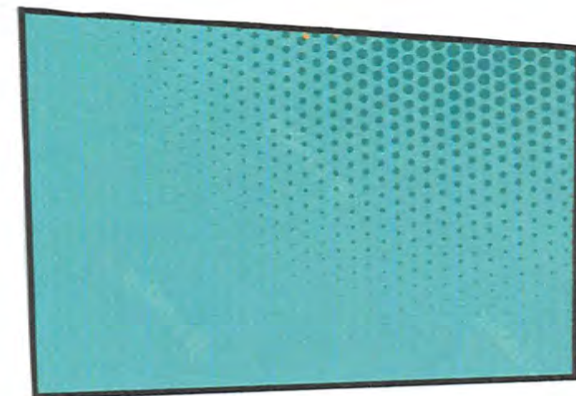

No...

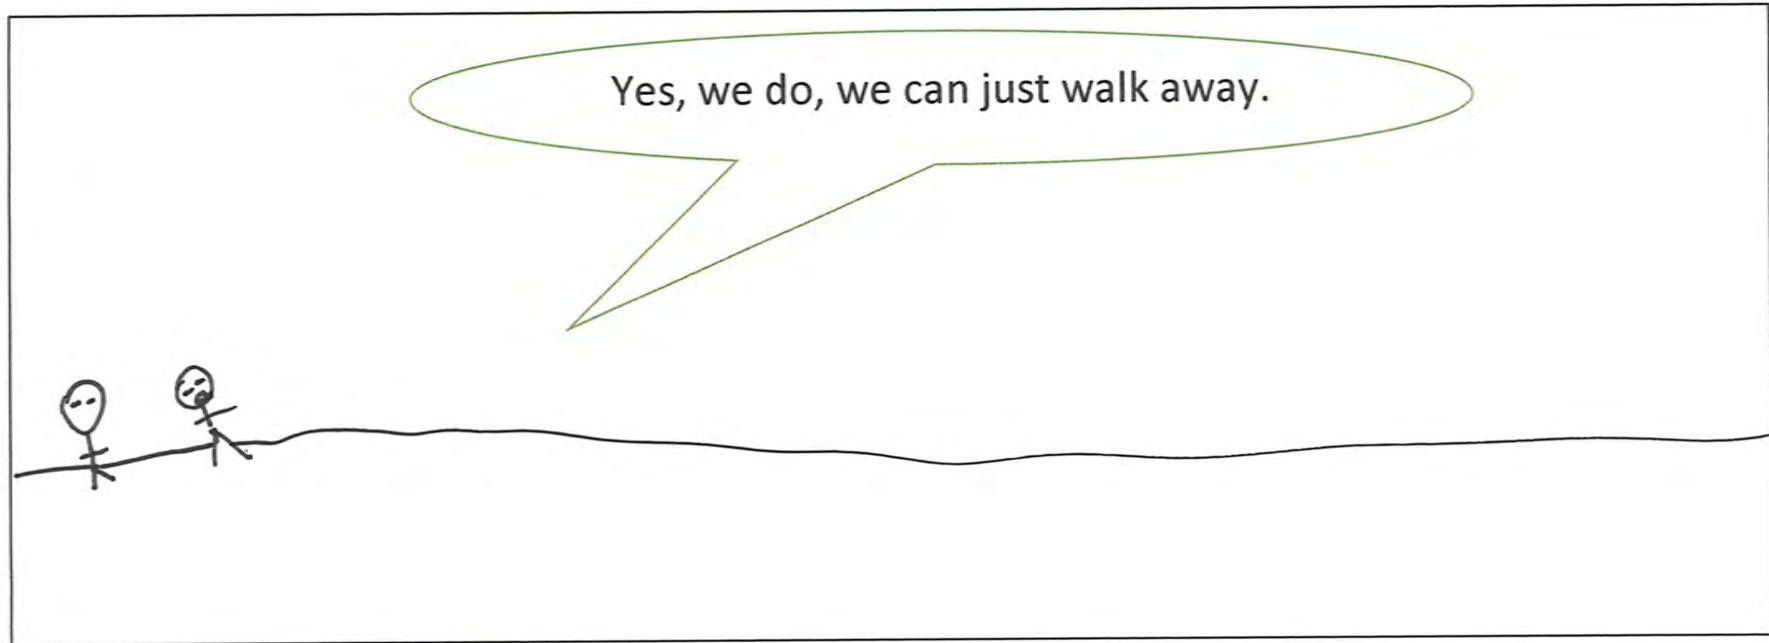

Then we don't want to help!

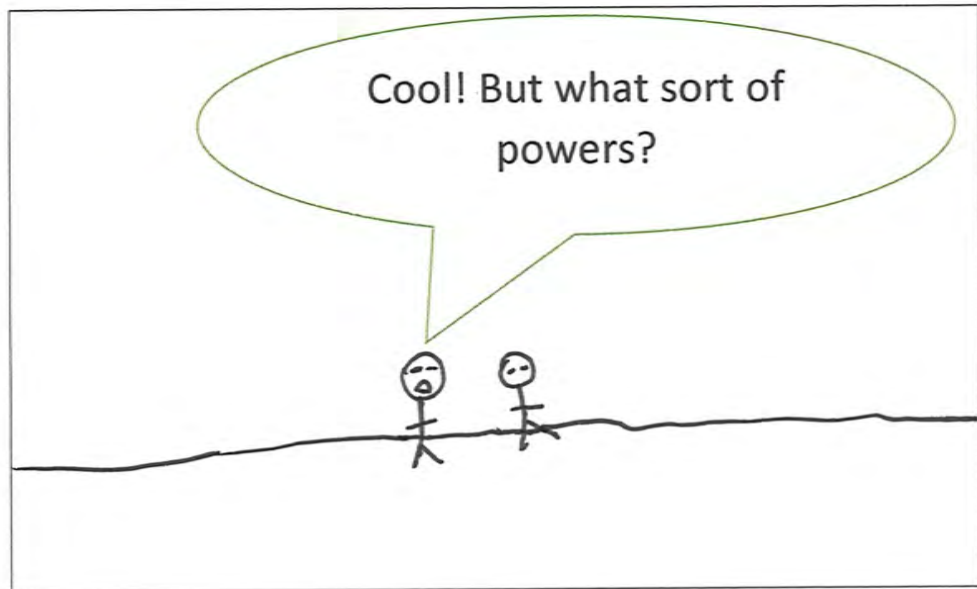

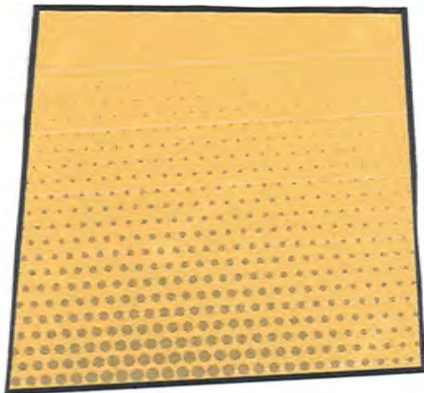

You have no choice.

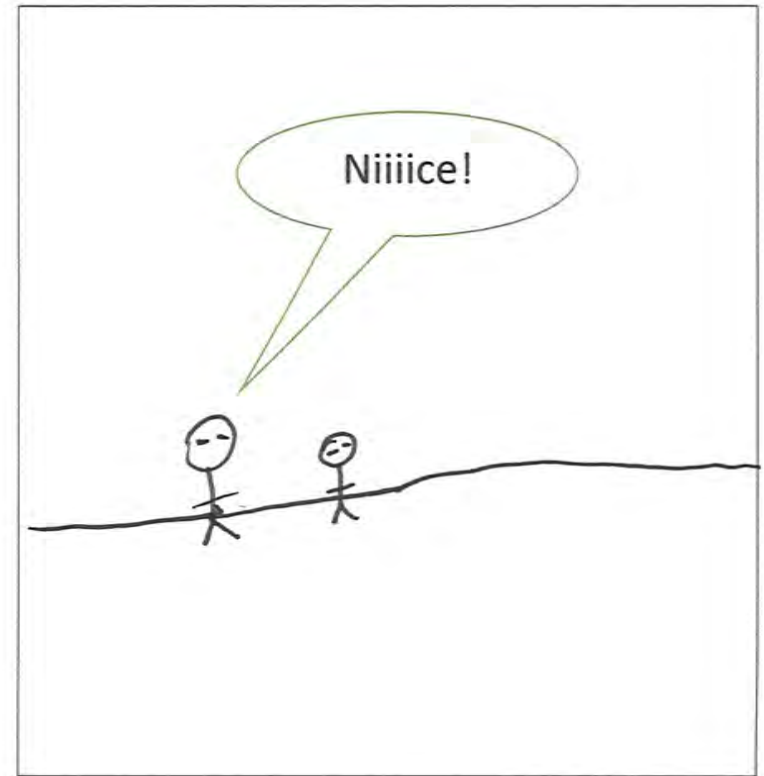

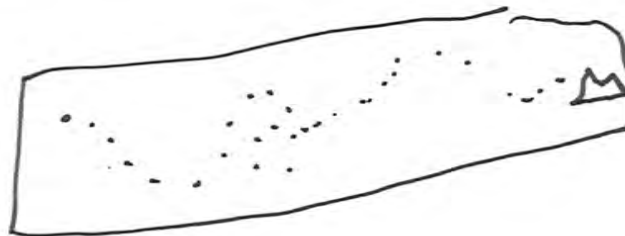

Fine, you can have amazing powers.

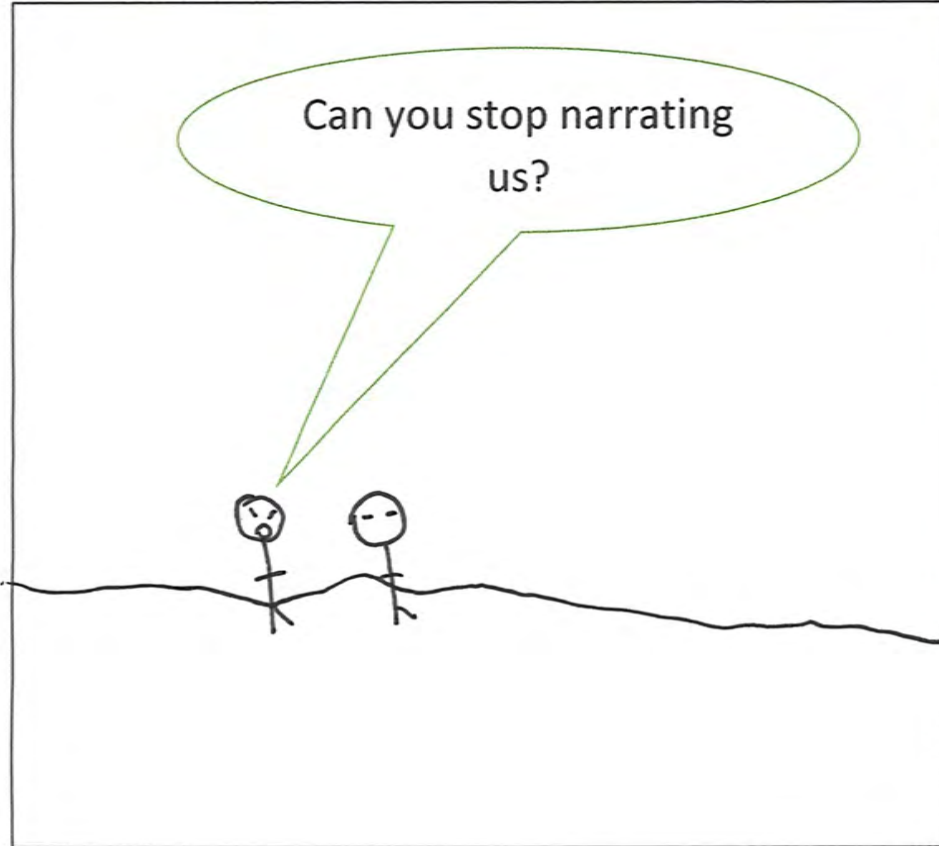

You will have a magic pencil that can create fire, water, ice, wind, and earth.

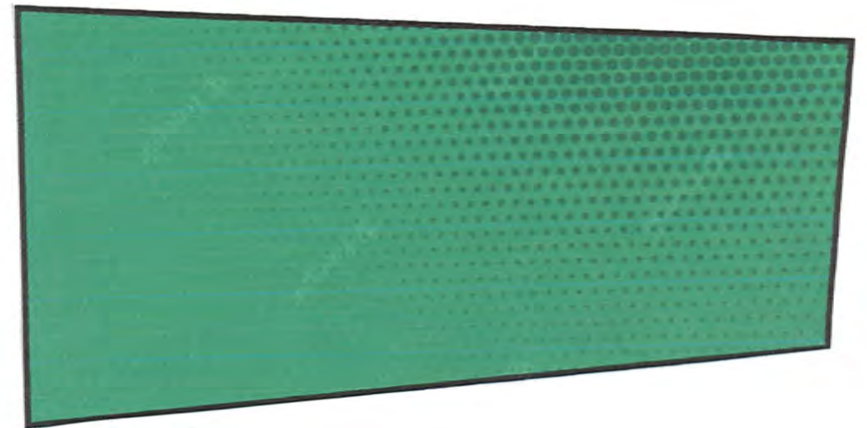

The only catch is you must find the magic pencil. Here is a map that will guide there. Now go!

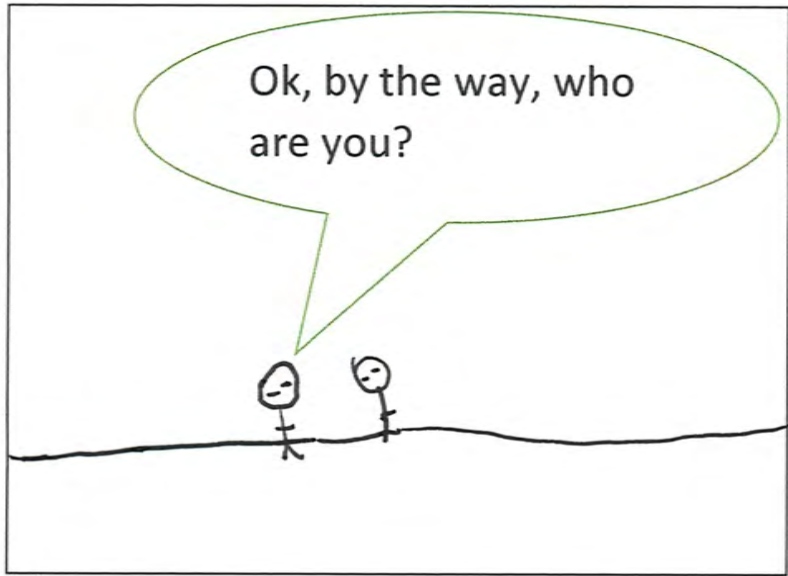

The stick men would have to go through many challenges. As they were walking, they came across their first challenge.

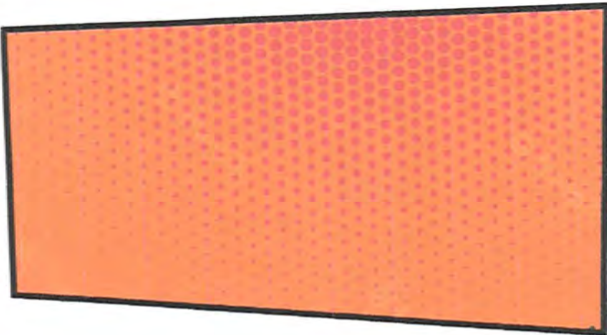

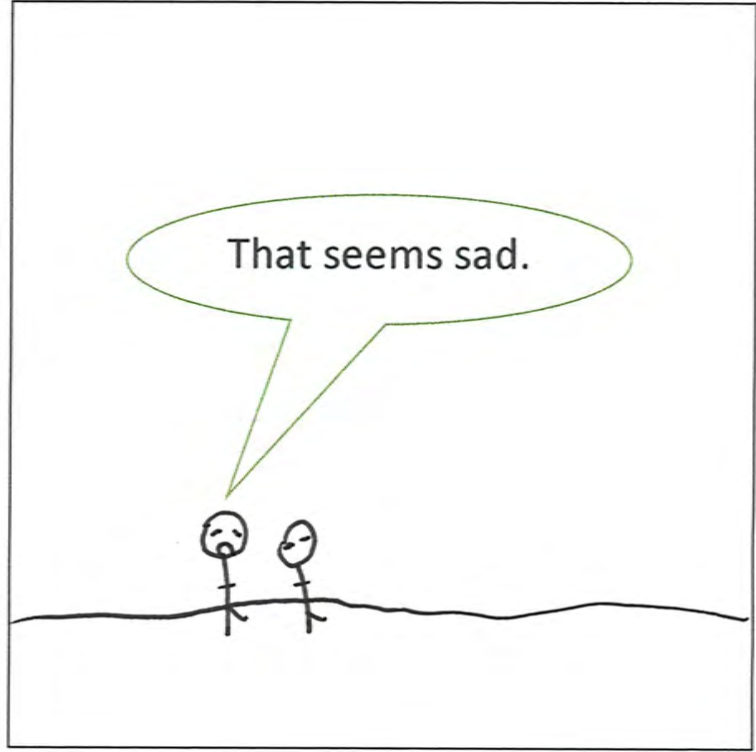

No, it is my job.

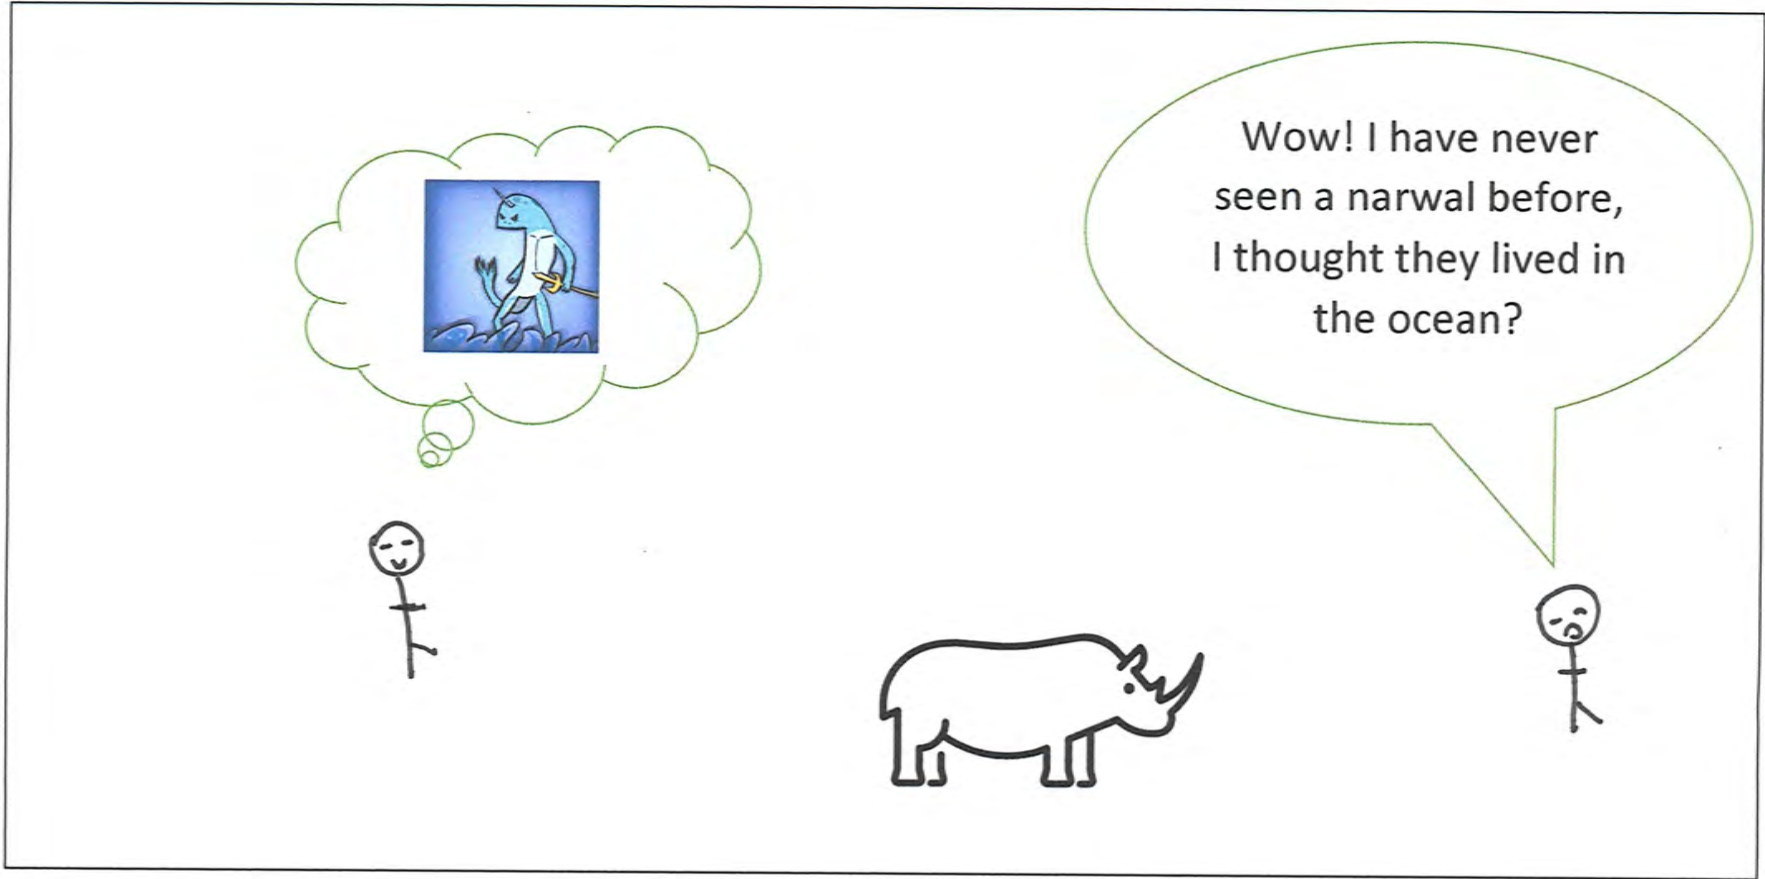

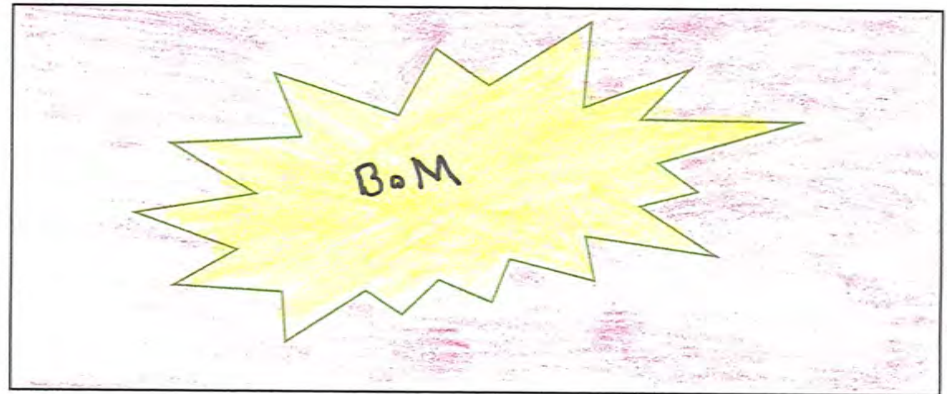

I am the narrator.

Stop asking questions. Now go.

That is not a narwal, that is a rhino! Now, fight!

Whew, that was easy!

Our brave warriors continued on. Then they faced their second challenge.

We have to fight a flower?

What? How did it grow so big?

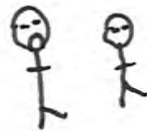

Don't worry about that, just fight!

Once the flower was destroyed, they moved on. They saw the last challenge before the boss battle.

Hold on, are we in a game?

I don't know, I'm just the narrator. Now stop stalling and get through the parkour.

This is easy parkour.

Okay, now the boss battle.

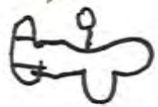

Peew, peew!

Brother, why did you say that?

I wish I had a gun, but this is just an airplane.

The airplane has a gun!

Oh, peew, peew!
