

What Do Teachers Do In  
The Teachers Lounge?

Maybe they surf or go to  
the jungle and read. I'm  
gonig to bring my class but  
not my Teacher to find out.

We saw that they were just  
reading and talking on their  
phones.

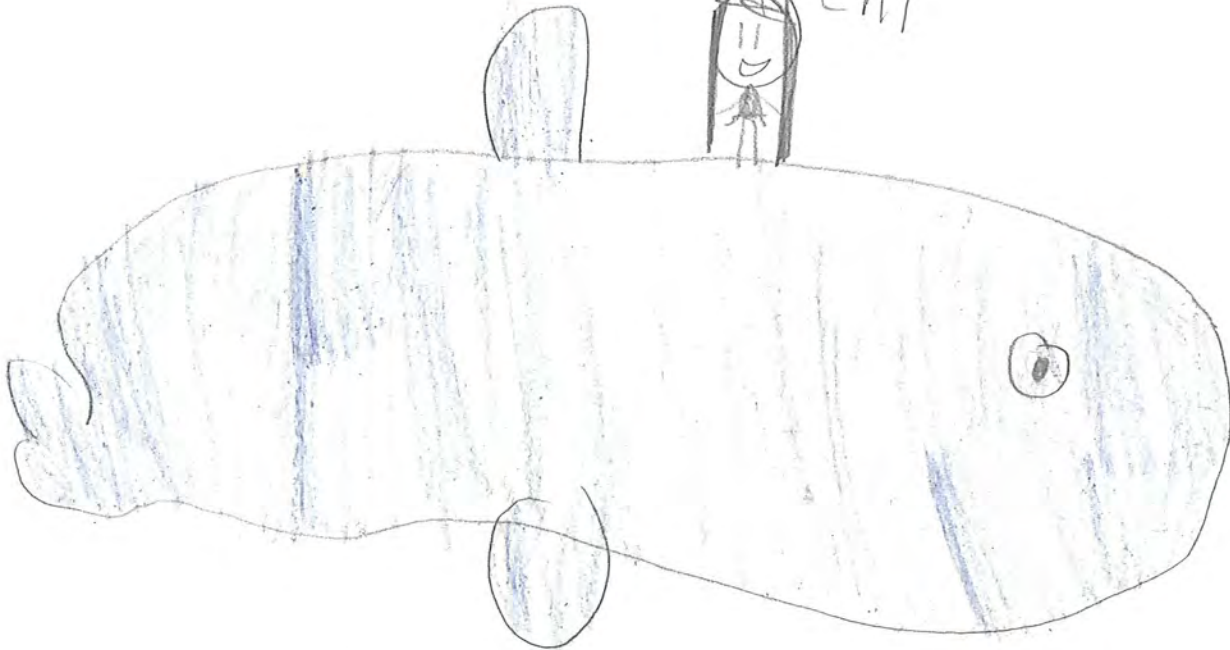

I looked angin and Miss  
Aveni was on a whale, while  
some Teacher were taking a  
break. I brought my class  
to Florida and they all saw  
the truth. Next, I saw Miss  
Aveni and she joined our class to  
play bingo! We played bingo all  
night, had lots of snacks and  
we even took a selfie! It was so  
fun spending time with Miss Aveni  
in the teachers lounge!!!

Finally, We sat down to  
watch a movie and ate ice cream
