

"Sparkle Glitter"

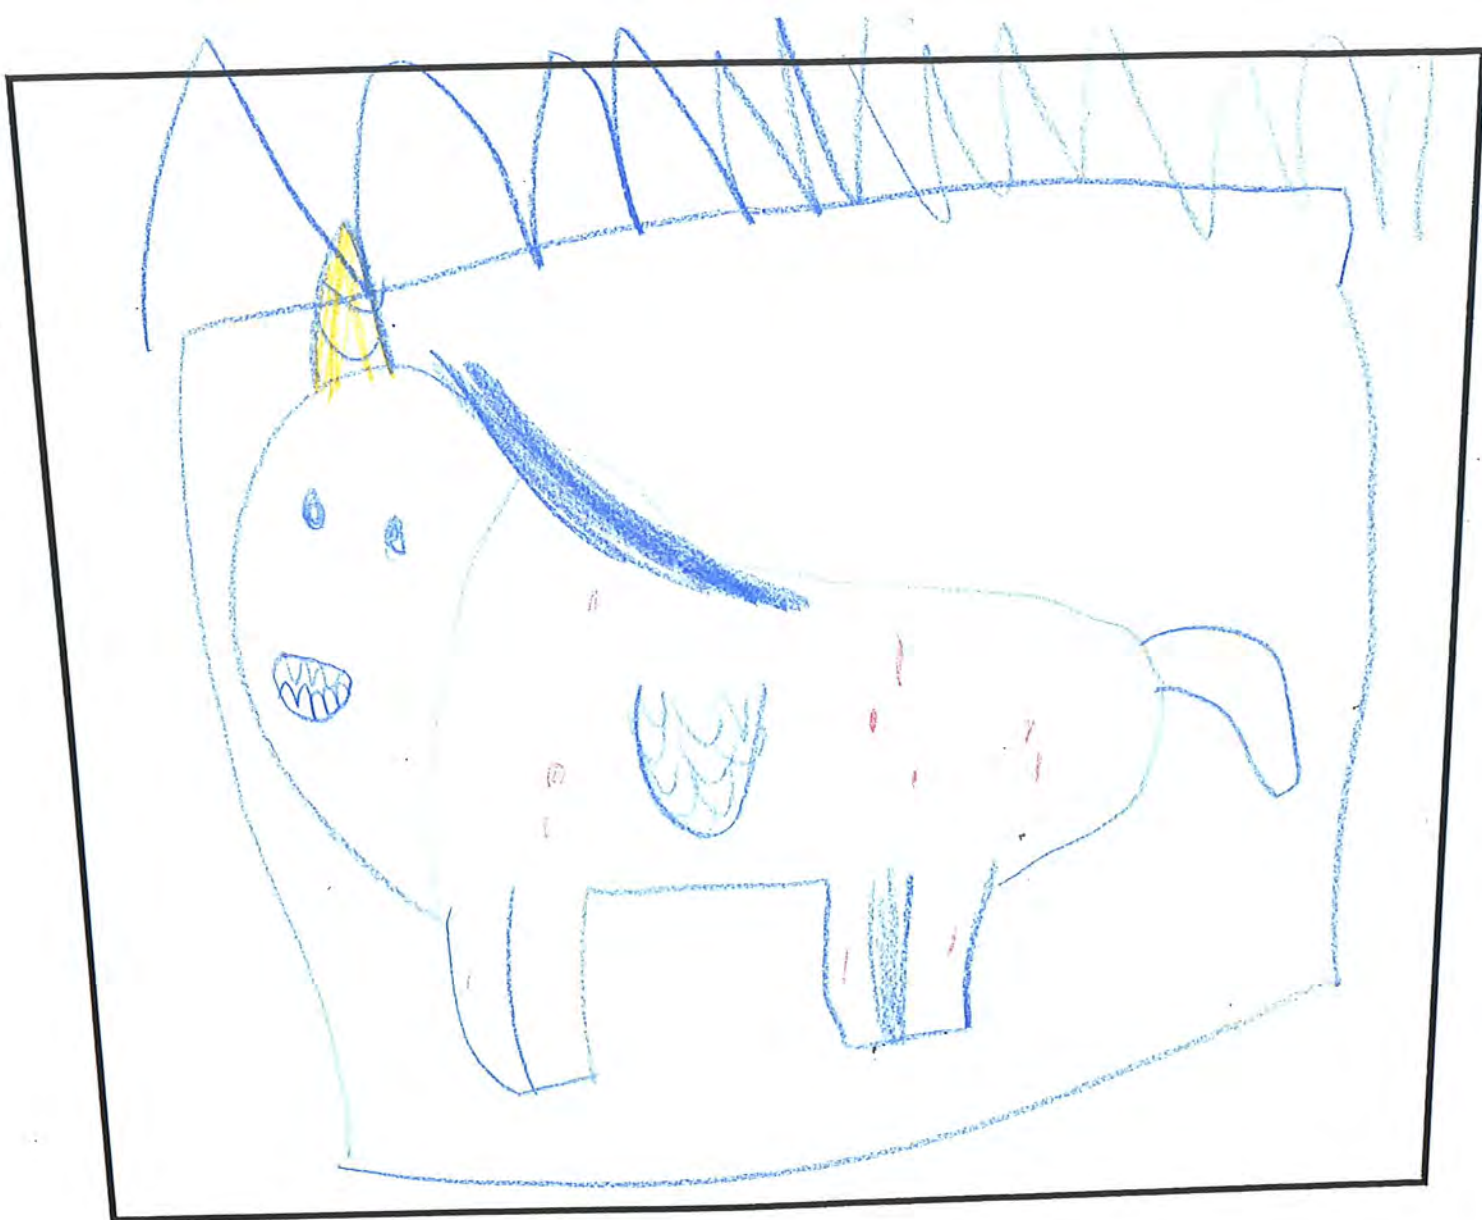

By Mia

There once was a Unicorn
named Sparkle Glitter.

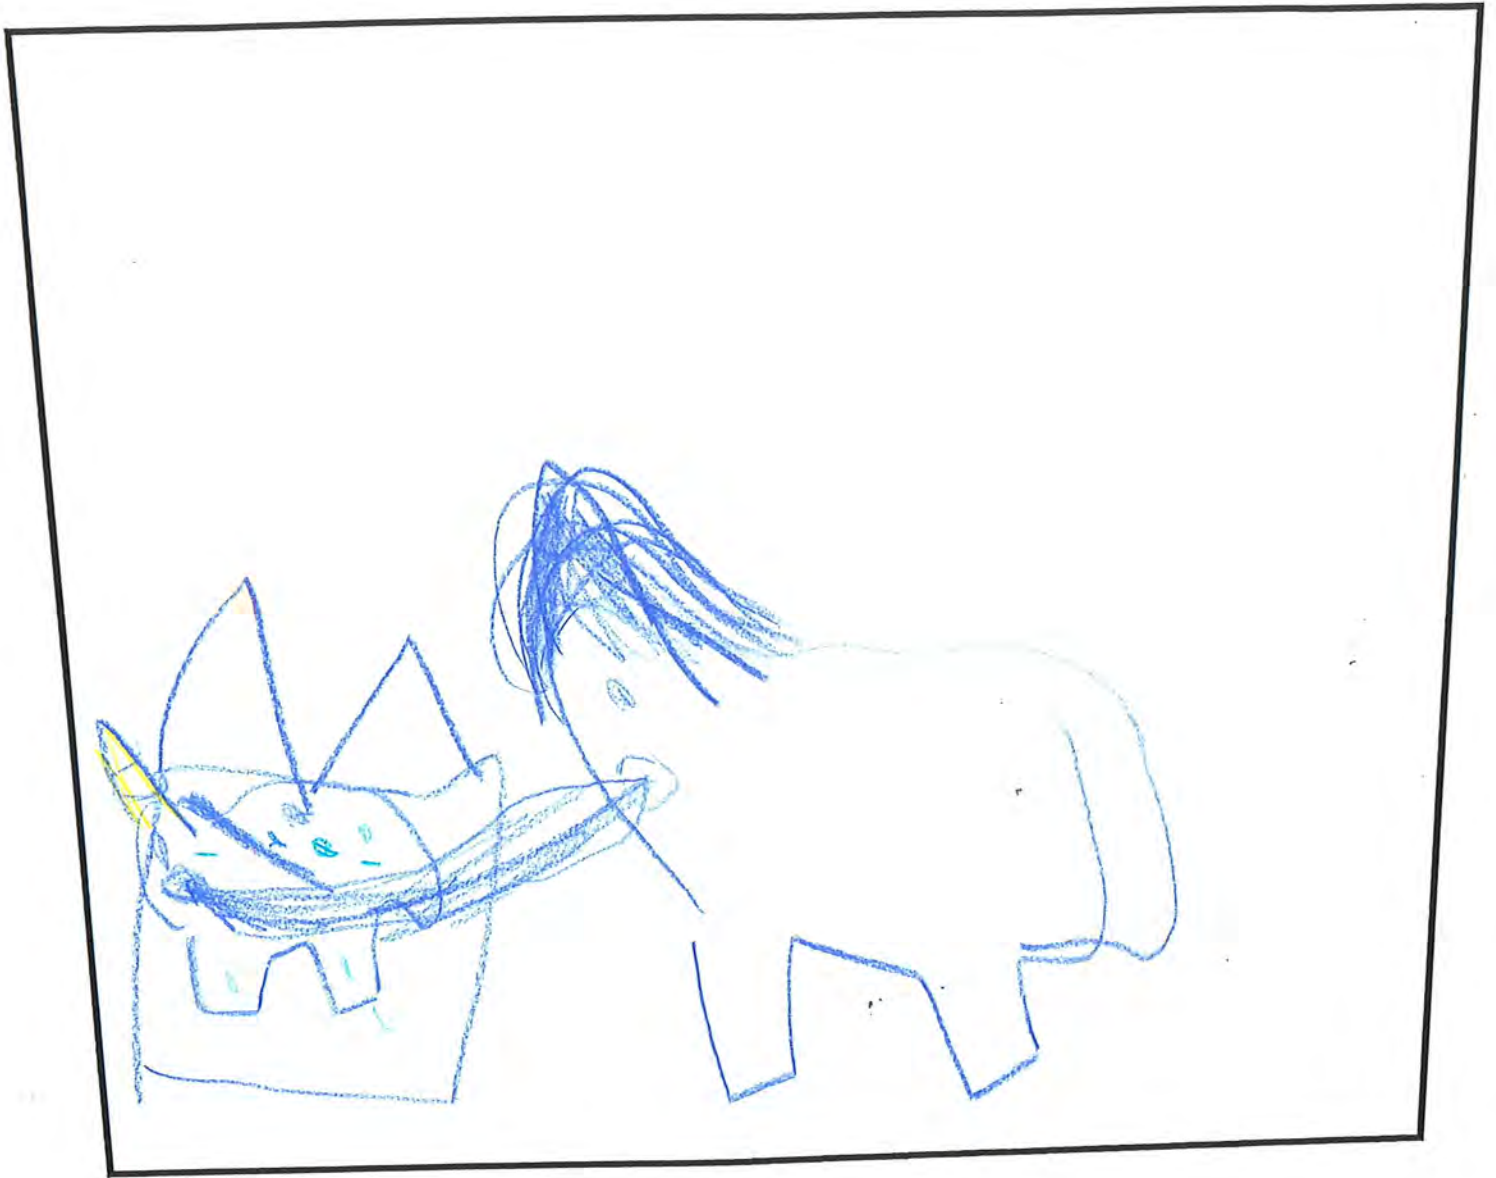

Sparkle Glitter flew over a forest
and spotted an ice castle.

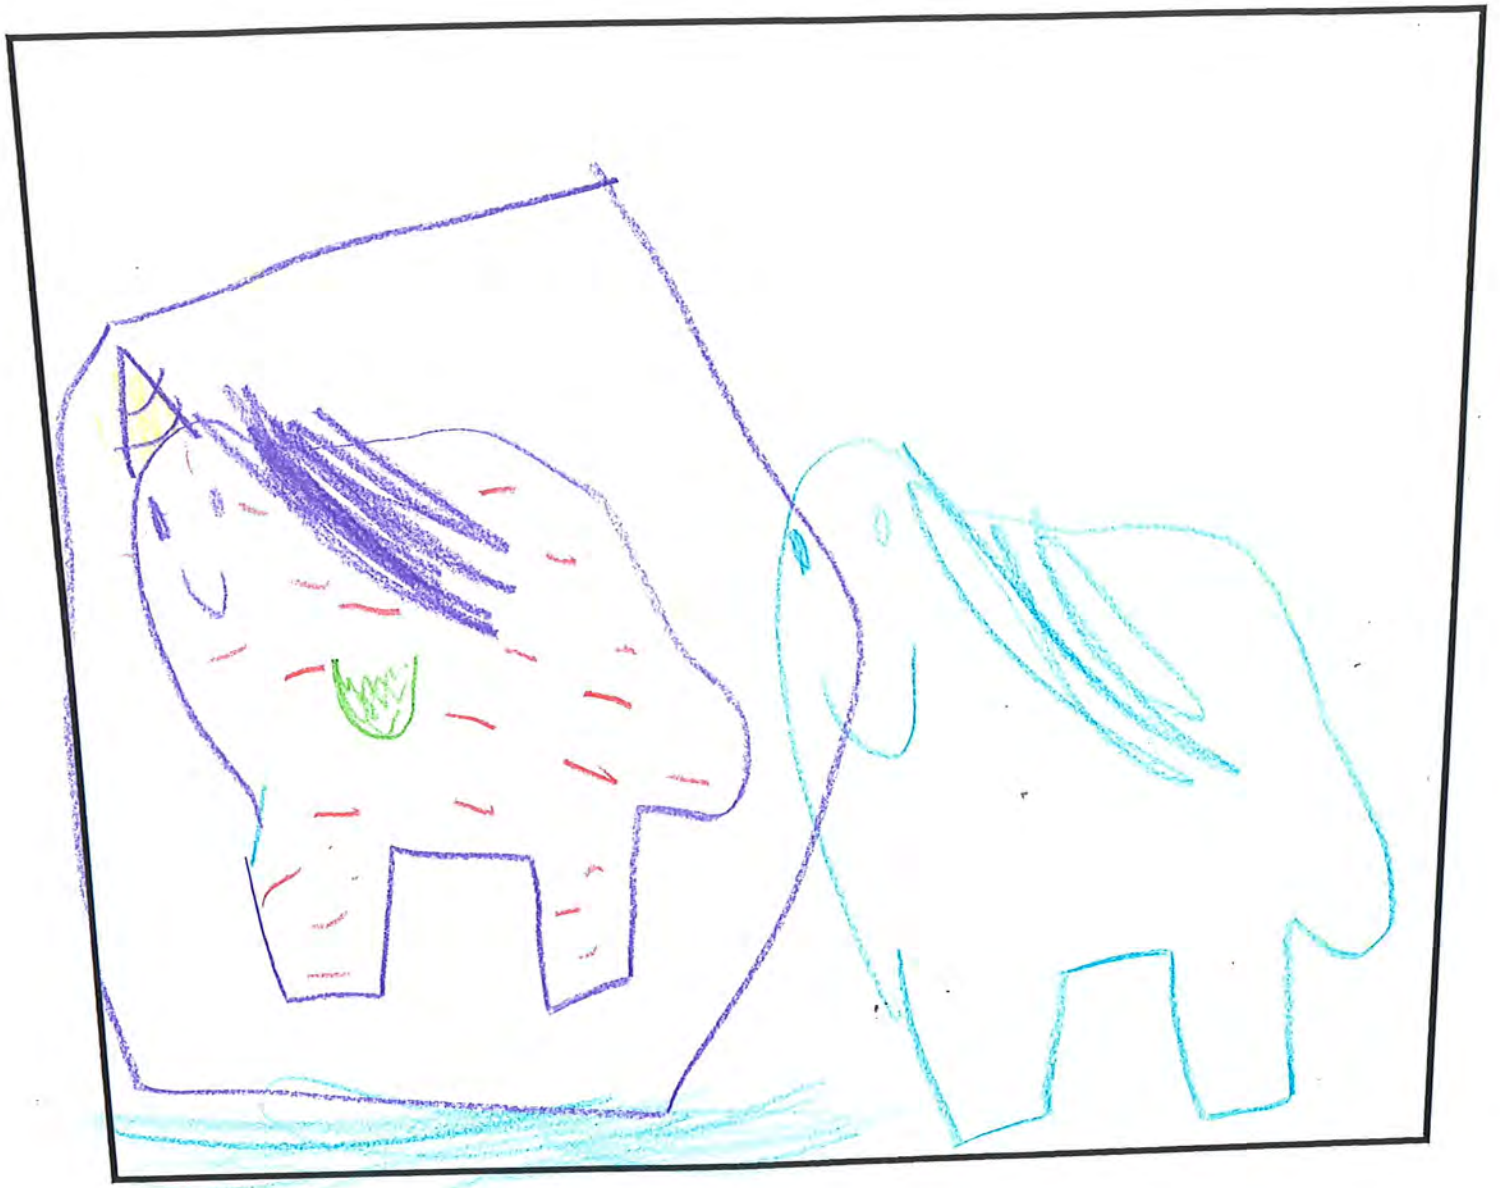

She went into the castle and
became frozen. She could not move.

A pony named Sally was walking by the castle and saw the reflection of Sparkle Glitter on the water outside the castle.

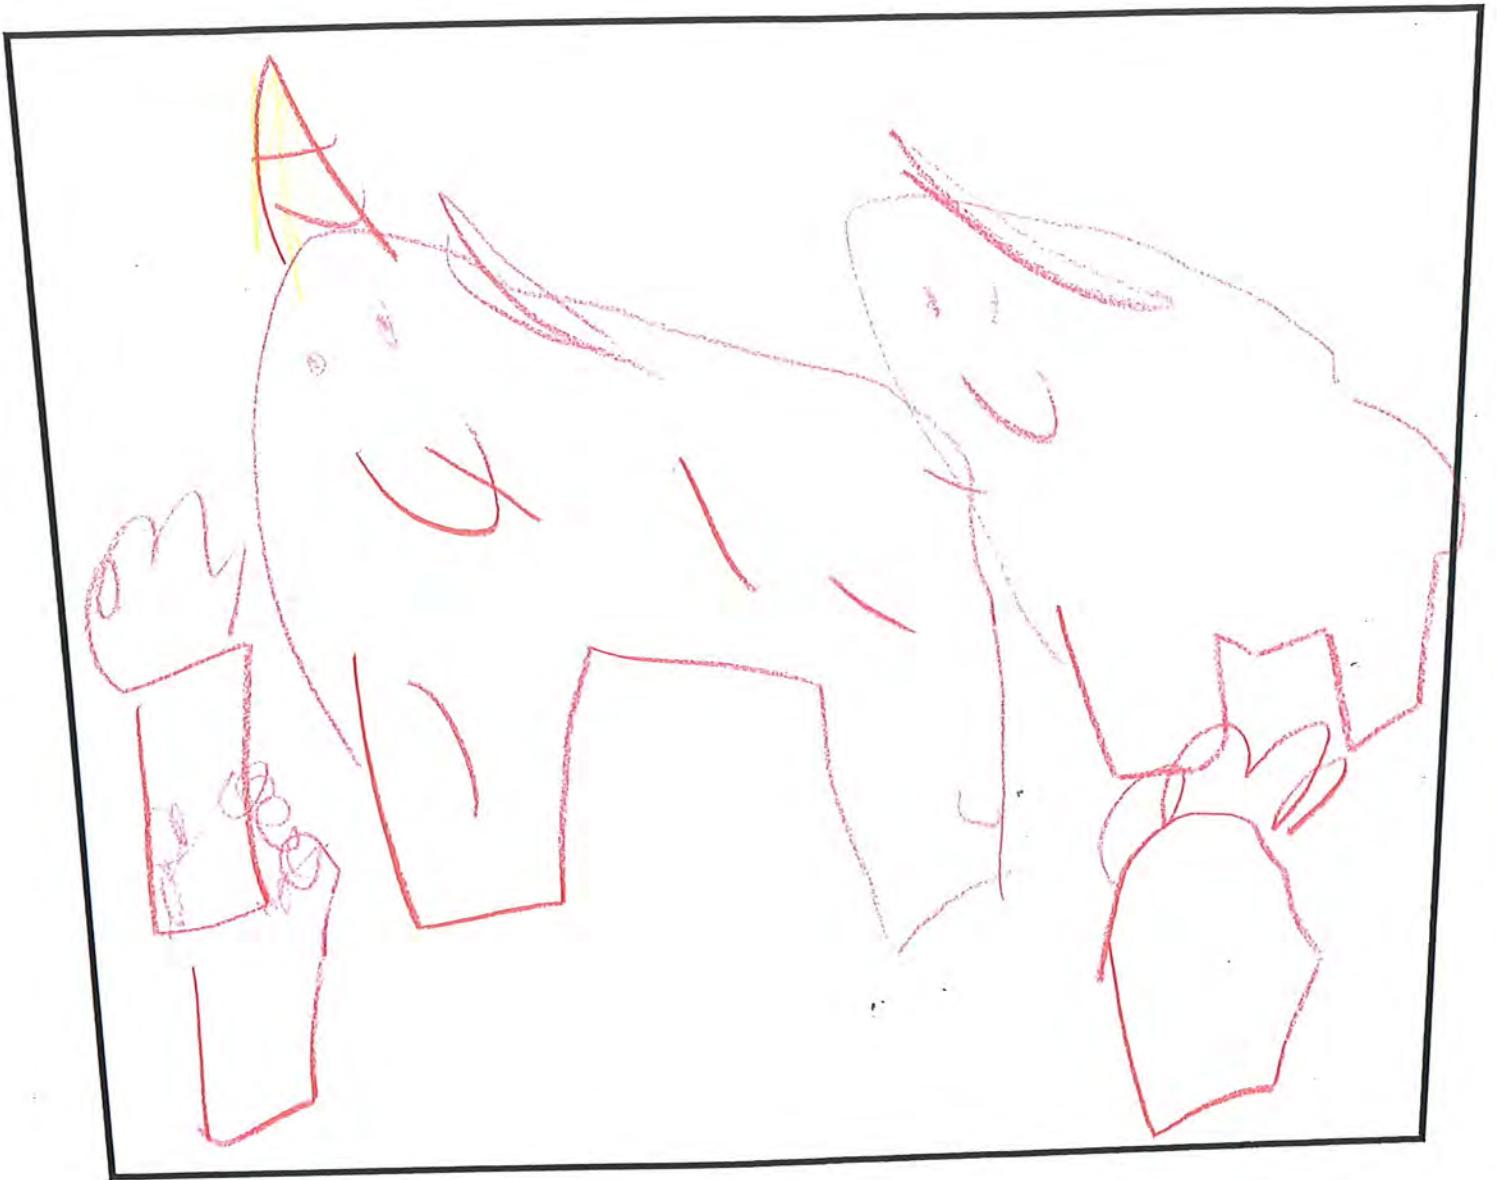

Sally found a long branch that had a hook. Sally put the hook through the door and was able to pull Sparkle Glitter out of the castle.

Then Sally put Sparkle Glitter in
warm water. The ice came off.

Sparkle Glitter was so thankful
that Sally saved her from the ice
castle.

Sparkle Glitter and Sally became
friends and would never leave each
others side.
