MESSAGE FROM OUR PRESIDENT & GENERAL MANAGER

Exploring Humanity and History

As we approach the season of gratitude, I want to extend a heartfelt thanks to our members. Your support is the backbone of the station, allowing us to bring you these remarkable programs that inform, inspire and entertain. Much like a Thanksgiving feast, your membership sustains us and nourishes our mission to provide high-quality, educational and enriching content to all.

I would love to thank you in person at our Annual Tea on Saturday, December 16. Enjoy a selection of sweet treats and savory hors d’oeuvres, a variety of lively performances and, of course, tea! All guests get to take home a souvenir teacup and saucer, courtesy of Janice Haupt Allen. To reserve your spot, visit vegaspbs.org/tea or call 702.737.7500

“Much like a Thanksgiving feast, your membership sustains us and nourishes our mission to provide high-quality, educational and enriching content to all.”

This month, our lineup of shows takes you on a journey through history, culture and the human experience. There’s something for everyone to enjoy, so let’s dive into some of the exciting programs coming your way.

Celebrate 50 years of female excellence in sports through the eyes of athletes who changed the system. Hosted by tennis legend and activist Billie Jean King, Groundbreakers weaves together stories of eight icons who discuss how their own struggles and achievements shaped women’s sports. Featured are Naomi Osaka, Jackie Joyner-Kersee, Chloe Kim, Nancy Lieberman, Suni Lee, Julie Foudy and Diana Flores. Premieres Tuesday, November 21 at 8 p.m.

On November 5 at 11 p.m., POV brings us Fire Through Dry Grass, a documentary following the Reality Poets who aren’t your typical nursing home residents. These young, Black and brown disabled artists document their lives during lockdown, their rhymes underscoring the danger and imprisonment they feel.

We honor our nation’s veterans with To Be of Service on November 6 at 10 p.m., a heartfelt exploration of the bond between veterans and their service dogs. This documentary sheds light on the healing power of these canine companions as they help veterans cope with the challenges of post-traumatic stress.

Step back in time to discover the origins of Shakespeare’s iconic works on Great Performances: Making Shakespeare: The First Folio, airing on Friday, November 17 at 9 p.m. This program offers a fascinating glimpse into the creation of the First Folio, a cornerstone of literary history.

With these outstanding programs, Vegas PBS continues to offer a diverse and enriching television experience. Don’t miss the chance to engage with these stories that inform, inspire and entertain.

As always, thank you for being a part of our community. None of this would be possible without you.

All the best,
Mare Mazur
