The Great Zoo Mystery

Once upon a time Eva decided to go to the Zoo.
First Eva went to the crocodile swamp, but they were missing.
Then she stopped by the elephant cage, but they were also gone.
Last she looked for the cheetah, but his enclosure was empty.
Eva was puzzled. "Where did all of the animals go?"
All of the sudden she heard a loud noise coming from the carousel.
To her great surprise, when she saw the carousel she found all of the missing animals. The crocodile, elephant and cheetah!
Eva and her friends spent the rest of the day having lots of fun!
After happily solving the zoo mystery, she went home, and napped with her favorite stuffed animals from the zoo.
