

# Get To Know Smoky Hills PBS In Your Neighborhood

## Meet Alexis

Membership Department

### How long have you been with the station?

Almost a year and a half!

**What do you do at Smoky Hills PBS?** I am the Membership Assistant and I help out with Kids Club. My job mostly consists of data entry for the membership department and sending out birthday and other special gifts to our Kids Club members.

### What is your favorite thing about working here?

Getting to know our members and viewers and learning about why they love SHPBS!

### Who/what inspired you most to get involved with a nonprofit such as Smoky Hills PBS?

I've always loved helping out with things I'm passionate about. One of our missions at SHPBS is to provide educational programs and resources to the children in our viewing area. I think being able to help shape a child's future in a positive way is the most rewarding part of this job!

### What is something you can't live without? Probably my pets!

### Thinking about the future, where do you hope to see the station in 5 years?

I'm hoping we can do much needed upgrades to our building and studio! Of course, I would also love to see our membership grow! We cater a lot to the older and younger generation, so I would like to find a way to attract those in the middle, too.

**Before working at SHPBS, what was the most unusual job you've had?** I don't think I've ever had any unusual jobs, but working for SHPBS has been my favorite job!

**What is your favorite program that we air (current or past) and why?** I remember watching Mister Rogers Neighborhood and Bob Ross all the time when I would hang out with my Grandma! They were always a part of our morning routine while eating mini sugar pancakes!

**If you could be a PBS KIDS character for a day, who would it be?** Cookie Monster! Because who doesn't love cookies?!

### Who was your favorite teacher and what did they teach?

Honestly, I absolutely loved all of my teachers. I grew up in a very small town, so I'm still close with a lot of my teachers to this day! History was my favorite subject though!

**“Today,  
me will  
live in the  
moment.”**

**COOKIE MONSTER**
