The U.S. and The Holocaust:

September 18th, 19th and 20th @ 7PM

A new three-part documentary directed and produced by Ken Burns, Lynn Novick and Sarah Botstein, explores America's response to one of the greatest humanitarian crises in

history. Inspired in part by the United States Holocaust Memorial Museum's "Americans and the Holocaust" exhibition and supported by its historical resources, the film examines the rise of Hitler and Nazism in Germany in the context of global antisemitism and racism, the eugenics movement in the United States and race laws in the American south.

Van der Valk on Masterpiece:

Marc Warren stars as steely-eyed cop Piet Van der Valk in Van der Valk on Masterpiece an all new series based on Nicolas Freeling's legendary crime thrillers.

Season 2 starts Sunday September 25th @ 8PM
