Sadie

Mrs. Rabbit was searching
for the perfect place in the
meadow to birth her babies.

She found a patch of
lupines and decided to
nestle down. Later
that day she birthed ten
babies.

She never dreamed of
having babies. Mr. Rabbit
kept busy gathering food
while Mrs. Rabbit took
care of the babies

One day while Mr. Rabbit
was away there was a
fire in the meadow.

Mrs. Rabbit tried to
move all her babies
to a safe place but
there were too many
babies

She asked the buffalo
for help but he was
hunting too fast. She
asked the birds but they
were flying too high

The mice were the only ones who stopped to help but they were too small.

As the fire blazed
the dark clouds began
to build. Were they
smoke clouds or storm?

And then it began
to rain and the fire
slowly went out.

I they were thankful
to be safe. The fire
did not reach their
lupine nest and Mr.
Rabbit made it home
safely.
