PBS KANSAS 8.1 (Cox 8) Features

Sundays @ 7PM
Starting March 19

It's 1968, and the nuns and nurses from Nonnatus House return for more midwifery and family life. The midwives welcome a new nun, Sister Veronica, and tension in Poplar arises following the effects of Enoch Powell's "Rivers of Blood" speech.

Sundays @ 8PM
Starting March 19

The third and final season returns viewers to the seaside resort of Sanditon for the conclusion of Charlotte and Georgiana's stories. Drama, laughter and romance are all in store for the ensemble of new and returning characters.

MARIE ANTOINETTE
Sundays @ 9PM
Starting March 19

Marie Antoinette, is just a teenager when she leaves Austria to marry the dauphin of France. With pressure to continue the Bourbon line and secure the Franco-Austrian alliance, she must follow the complex rules of the French court while attempting to charm her reluctant king-to-be, Louis XVI. Transforming into the Queen of Style and a true fashion icon, Marie Antoinette tries to recreate Versailles in her image: free, independent and feminist.

Friday, March 31 @ 9PM
While Mitchell's early music is often categorized as "folk," her sound draws as much from jazz, classical and rock as she crossed various musical genres. Her music often encompasses bespoke tunings and song structures that defy categorization. As a lyricist, she delves deeply into both the personal and political, unafraid to explore the raw reality of living underneath societal norms and time-worn traditions.

Each episode gives viewers the chance to meet cooks from around the world and see how their sources of inspiration result in a new style of home cooking. Host Chris Kimball and his team of cooks find techniques to help viewers produce bigger, bolder, simpler dishes with less time and effort.
