

## FREE PBS KIDS STEM ENRICHMENT PROGRAMS

(Grades PreK-3)

## PBS KIDS SCRATCHJR

Children learn the foundations of coding while designing interactive projects using the free PBS KIDS ScratchJr app.

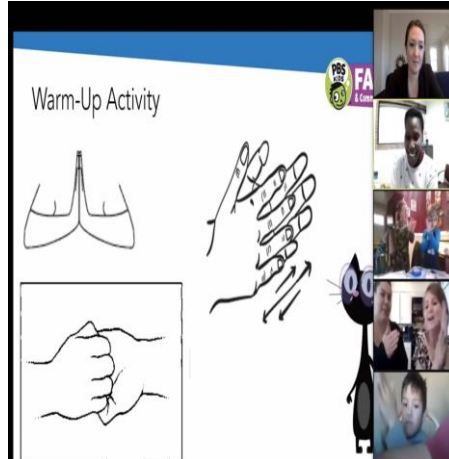

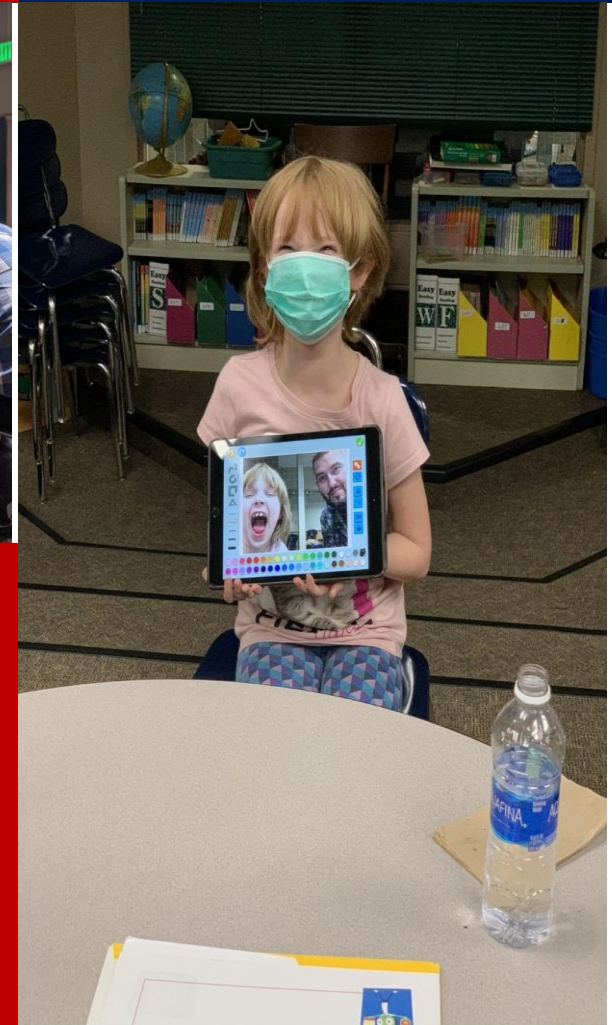

*“We loved the ScratchJr workshop. Super fun and exciting. My kids learned a lot and use coding at home all the time now. Thank you!”*  
~FCL Parent

# KSPS STEM IN SCHOOLS

## FAMILY & COMMUNITY LEARNING

Children and caregivers engage in quality science learning using videos and support materials from PBS KIDS programs such as *Cat in the Hat*, *Ready Jet Go!*, and *Curious George*.
