PBS KIDS Video features thousands of videos, including Curious George, Daniel Tiger's Neighborhood, Dinosaur Train, Peg + Cat, The Cat in the Hat Knows a Lot About That!, Wild Kratts, Sesame Street, and Super WHY!

PBS KIDS Games Play free PBS KIDS games and learn anytime, anywhere! PBS KIDS Games features top shows, including Daniel Tiger's Neighborhood, Dinosaur Train, Super WHY!, The Cat in the Hat Knows a Lot About That!, Wild Kratts, and more.

PBS KIDS ScratchJr Kids can create their own interactive stories and games featuring their favorite characters from Wild Kratts, Nature Cat, WordGirl, and Peg + Cat! The storytelling possibilities are endless with this creative coding app for children ages 5-8.

PBS KIDS Measure Up! Children ages 3-5 join PBS KIDS characters on an adventure through Treetop City, Magma Peak, and Crystal Caves to practice early math concepts focused on length, width, capacity, and weight with their friends from Dinosaur Train, Peg + Cat, and Sid the Science Kid.

PBS KIDS Party App Get your kids up and moving! See how their movements control each game as they play a game of freeze dance, swing to find party pinatas, or countdown to blast off. The app is powered by Moff and connects to the Moff Band, a wearable bracelet for kids that relies on motion to play games and activate sounds. (You do not need the Moff Band to experience this app.)

PBS KIDS Photo Factory Put your child in a photo with a favorite PBS KIDS character in three simple steps. The app features leading characters including Arthur, Clifford, Curious George, Daniel Tiger, Sid the Science Kid, Super WHY!, Wild Kratts, WordGirl, and more!

PBS Parents Play and Learn This app, designed specifically for parents, provides more than a dozen bilingual games parents can play with their kids, each themed around familiar locations like the grocery store, restaurants, the kitchen, and outdoor spaces.

PBS KIDS Super Vision™ The PBS KIDS Super Vision app helps parents monitor and make the most of what their child is learning and playing on pbskids.org and in the PBS KIDS Measure Up! app. This app also provides off-screen activity ideas that are related to a child's interests to help build key skills.
