Mountain Time Edition
January/February 2020
FROM THE COVER:

**A Strong Finish —**

Jane Austen was chronically ill with a mysterious disease in early 1817, when she turned her thoughts to a happier subject. She started work on a witty and delightful novel set in a seaside town. She never finished it. Now, noted screenwriter Andrew Davies (Pride and Prejudice, Les Misérables) picks up Austen’s plot and brings the story to full fruition.

**MASTERPIECE**s bold and lavish adaptation stars: Rose Williams as Austen’s lively but levelheaded heroine, Charlotte Heywood; Theo James as the humorous, charming (and slightly wild!) Sidney Parker; and Kris Marshall as Sanditon’s compulsively enterprising promoter, Tom Parker.

Parker is obsessed with turning the sleepy seaside village of Sanditon into a fashionable health resort. Through a mishap, Tom makes the acquaintance of the Heywoods and invites their eldest daughter, Charlotte, for an extended stay at Sanditon. There, the sensible Charlotte observes hypochondria, avarice and attempted seduction run amok — all the ingredients for a properly spicy **MASTERPIECE** drama. The twists, turns and machinations of the denizens of Sanditon begin **Sunday, Jan.12 at 8 pm/9 Mtn.**

From the Board...

Happy New Year. It’s time to reflect on the past year and set intentions for the year ahead. 2019 was a busy year for the KSPS Board of Directors, as we worked with staff to create plans for the future. KSPS is committed to providing quality programming to viewers. There are more ways to access PBS programs so you can watch when and how you choose. In addition, the Board is working with staff to connect you to stories that celebrate the communities that we serve. Stay tuned as 2020 brings new exciting programming to your television, laptop, phone or other devices you own.

Sincerely,

Nancy Ledeboer
Chair, Friends of KSPS Board of Directors

Community Outreach with Sesame Street!

This past fall, KSPS conducted local outreach focused around *Sesame Street*. KSPS PBS was one of 10 Public Television stations across the country selected to participate in a *Sesame Street* educational outreach program, funded by the Corporation for Public Broadcasting.

In September and October, we engaged preschool educators and child care providers from Ferry, Lincoln, Stevens, and Spokane counties in educational workshops, where they were able to explore the many FREE resources from the *Sesame Street in Communities* program and identify ways in which to integrate the program resources in their classrooms and centers. Educators were thrilled to receive resource toolkits including Sesame storybooks and activity booklets that they could use right away with the children and families they serve.

We also hosted hometown celebrations for the 50th anniversary of *Sesame Street*. In Green Bluff, close to 600 families got to meet and take pictures with Elmo on a beautiful, bright sunny day. At the Deer Park, Airway Heights and Cheney library branches, we hosted *Sesame Street* story times filled with read-aloud books, crafts and activities. Celebrating all things Sesame has been a special way to engage with local families and educators within our community.

To learn more about our *Sesame Street* outreach efforts and to access hundreds of helpful, well-researched educational resources for parents, caregivers and educators, visit kspso.org/sesame.

CALL THE MIDWIFE • Season 9
Coming Sunday, Mar. 29

The familiar team of medics and midwives faces unexpected challenges as the population shifts, rules change and old diseases come back to haunt them. Alongside the joy and optimism of birth, they must cope with cases including diphtheria, drug abuse, cancer, tuberculosis and fistula. Meanwhile, their own experiences are fueled by love, loss and doubt; and the very fabric of their lives is jeopardized when Nonnatus itself comes under threat of demolition.
