### COOPERATION, PROBLEM SOLVING AND INSPIRATION!

**Social-Emotional, Computational Thinking, Creativity**

### Lyla in the Loop

**NEW KIDS SERIES COMES TO MONTANA PBS**

**MONTANA PBS–KIDS: AIRS MON – FRI 7PM; AIRS 7 DAYS A WEEK: SAT-SUN 4PM**

Also airs on Montana PBS–HD: Weekdays 3:30pm

Everyone has creative problem-solving abilities and critical thinking skills that they already use in everyday life. The all-new PBS KIDS animated series LYLA IN THE LOOP follows Lyla, a dynamic 7-year-old girl who lives in a big city with her close-knit family, her fantastical blue sidekick Stu and a host of relatable and quirky characters in her community. Lyla loves to collaborate with Stu, her mom Lydia, her dad Louis, her older twin sisters Liana and Louisa (12) and her little brother Luke (5) to solve everyday mishaps, messes and mixups. Along the way, Lyla relies on creative problem-solving and critical thinking skills to design and test her ideas and build imaginative contraptions (which lead to clever solutions and comedic disasters.)

### Family Events Coming in March from Montana PBS KIDS

Donate your old vehicle to Montana PBS

Door handles that don't work. Broken AC. Buzzing, blown-out speakers. Sure, it still runs, but at some point, that old car becomes a bigger hassle to maintain than it's worth. If you can relate, why not donate that jalopy to Montana PBS and support the local community?

We'll pick it up at no cost to you and we accept all kinds of vehicles, including motorcycles, RVs, boats, and farm equipment. Donations are tax deductible and come with one year membership that includes access to our premium streaming service, Montana PBS Passport.

You hear it at the end of every program: “Made possible by viewers like you.” But what about pets? Don’t they deserve some recognition too? What if they want to flaunt their local, Montana PBS pride?

Well now they can by joining our brand-new Pets Club! For a sustaining membership of $15 a month, up to four of your furry or scaly or gilled or hooved friends can become official members of the station and have photos of their adorable selves wearing posh Montana PBS regalia (a bandana) broadcast on-air and shared on our social media channels. Plus they’ll get a personalized card and a coupon for discounted treats and toys because they’re just so good yes they are.

Did you know the total number of newspaper reporters has fallen by more than half since 2008? These losses have had large impacts on the health of our democracy. According to the Democracy Fund, regions without local news have lower voter turnout, pay higher taxes, experience higher levels of polarization, and have higher rates of loneliness and disconnection from the community. Local news isn't just a way to keep track of high school sports, it's a critical institution that keeps our democracy functioning well.

Support local news on MTPBS by donating during our Spring pledge drive Feb. 23rd - Mar. 10th and improve the health of your community.

A Great Montana Story

Blue Death

The 1918 Influenza in Montana

THURSDAY, 3/28 7PM Also 3/31 10am; 4/1 2am and on Montana PBS - WORLD 3/30 2pm

It began as a tickle in the throat, led to crushing fatigue, and difficulty breathing. At first Montanans were not alarmed. Seasonal viruses were as common as blizzards and chinooks. But this was a different, deadly beast. The 1918 influenza killed more Americans than World Wars I and II combined. Adults in the prime of life were most at risk. The virus provoked an exaggerated immune response among the healthiest people, like inflammation of the lungs, heart, or brain. Death followed. Lung infections were most common; victims died gasping for breath. There was no vaccine and no cure. Six Montanans tell their stories: how did they survive this terrifying public health crisis? Who made it through alive? What part did World War I play? How were gender norms disrupted, and race relations called into question? How were families fragmented and reconfigured? Explore the pandemic through the eyes of a Blackfeet couple, a white youth in a railroad town, an Army nurse, a Finnish immigrant, a Crow law school graduate, and an African American entrepreneur. What can they tell us about fear and courage, loss and resilience, tradition and community?
