More Great Music from Montana

**MT 11th & Grant with Eric Funk**

11th & Grant with Eric Funk is the premier outlet for music performance in Montana, seeking out the state’s most acclaimed, accomplished, and pioneering talent. The Emmy winning performance series also devotes significant time to each artist’s personal story, insights into their music and their approach to life, ultimately providing a deeper experience than a seat at a concert.

**Erik Funk**

**THURSDAY, 4/18 7PM; REPEATS SATURDAY NIGHT 4/20 AT 10:02PM**

World renowned composer, conductor, and pianist Eric Funk takes the stage on his namesake music performance series, blending genres and styles in a way that showcases his innovation and mastery of solo piano. A classical piece often segues and blends seamlessly into a jazz standard, Broadway show tune, or film score in this inventive performance.

Power Brokers

It’s arguably one of Montana’s most tragic stories. It led to the demise of Montana Power, the state’s only Fortune 500 Company, and it pushed power prices into the stratosphere. While most know how the experiment in Electricity Deregulation ended, few know how it all began. In this hour-long documentary, Montana PBS investigates the sources of the deregulation movement and the subsequent power crisis. The documentary uncovers surprising relationships and business connections that would eventually cast a shadow over former Governor Marc Racicot and draw Montana Power into a federal investigation.

Now, dikes and dams have changed the river system so much that sturgeon no longer successfully reproduce. But the people whose culture is bound up with these fish and the people who control the river today are working together to restore the Kootenai River White Sturgeon to their ancestral home.

### COME MEET DANIEL TIGER!

Mark your calendars for Montana PBS’s 1st Annual Neighbor Day

Hey neighbor! We're excited to announce a brand-new annual event for families with children ages 3-8 in Bozeman: Neighbor Day. We’ve partnered with community organizations across Gallatin County to create a fun-filled day of learning. There will be tables and booths full of hands-on educational activities focusing on STEM and literacy, summer resources for parents, and a Daniel Tiger + Katerina Kittycat meet-and-greet! It's a beautiful day in the neighborhood, so please won't you be our neighbor?

Turn a Lemon Into Lemonade

Donate your old vehicle to Montana PBS

Door handles that don’t work. Broken AC. Buzzing, blown-out speakers. Sure, it still runs, but at some point, that old car becomes a bigger hassle to maintain than it’s worth. If you can relate, why not donate that jalopy to Montana PBS and support the local community?

We’ll pick it up at no cost to you and we accept all kinds of vehicles, including motorcycles, RVs, boats, and farm equipment. Donations are tax deductible and come with a one year membership that includes access to our premium streaming service, Montana PBS Passport.

And by Viewers Like You

You hear it at the end of every program: “Made possible by viewers like you.” But what about pets? Don’t they deserve some recognition too? What if they want to flaunt their local, Montana PBS pride?

Well now they can by joining our brand-new Pets Club! For a sustaining membership of $15 a month, up to four of your furry or scaly or gilled or hooved friends can become official members of the station and have photos of their adorable selves wearing posh Montana PBS regalia (a bandana) broadcast on-air and shared on our social media channels.

Plus they’ll get a personalized card and a coupon for discounted treats and toys because they’re just so good yes they are.
Airtimes in black appear on Montana PBS-HD, airtimes listed in grey [like this] air on Montana PBS-WORLD channel. Check p. 2 for channels in your area.
