**In-Depth Examination of History – The Troubles**

**Once Upon a Time in Northern Ireland**

**BEGINS 8/28 8PM**

From the makers of the BAFTA and Emmy Award-winning “Once Upon a Time in Iraq” comes a unique five-part film set in Northern Ireland. Exploring the decades-long conflict in Northern Ireland known as “The Troubles,” the series tell the story through the intimate testimony of ordinary men, women, and children who were drawn—both willingly and unwillingly—into the bitter clashes that rocked the nation and who are still struggling to hold on to a fragile peace today.

**It Wasn’t Like a Movie Anymore**

**MONDAY, 8/28 8PM Also 8/30 1am**

Explore how ordinary people became caught up in “the Troubles” in Northern Ireland as events progress from protests and rioting to full-blown violence. When tensions between Catholic and Protestant communities explode, the British Army is deployed.

**Do Paramilitaries Lie Awake at Night?**

**MONDAY, 8/28 9PM Also 8/30 2am**

Discover how ordinary people become surrounded by fear and hatred as violence grows and home-grown paramilitaries begin taking control of many Catholic and Protestant working-class communities. It is now 1972, and society is deeply segregated.

**TUESDAY, 8/29 8PM Also 8/30 3am**

Learn about the harrowing impact of the IRA hunger strike through three women’s stories: an IRA prisoner’s wife, a police officer’s wife, and a hunger striker’s daughter. Tit-for-tat killings, car bombs and assassinations are now routine.

**The Dirty War**

**TUESDAY, 8/29 9PM Also 9/1 3am**

Discover how tensions rise as police and the army infiltrate paramilitary organizations to gain intelligence in the late 1980s. No one can be trusted as fear and suspicion seep into all parts of daily life.

**Who Wants to Live Like That**

At age 16 Charles M. Russell leaves his home in St. Louis to make his way as a cowboy in Montana. He meets mountain men, wranglers, and settles into a job as a nighthawk with the horses. His talents with drawing, sculpting and stories make him a popular companion at the campfire. A tough winter inspires a drawing that will make CMR famous. Airs 8/2 4am; Friday, 8/4 noon

C. M. Russell and the American West:
Mario Miner, Jr. developed a love for blues while working long, hot days on the Fort Belknap reservation. He also developed a love for building while creating Frankenstein toys out of broken parts to entertain himself growing up. Combining these interests, Mario began making musical instruments and amplifiers out of what was once junk, starting with his cigar box guitar Howlin’ Duke.

Using a circuit board in the shape of Montana, with each component aligning to the location of Montana’s reservations, Mario transforms mundane objects like gun ammo cans and animal skulls into working amps for his performances. With his home-built arsenal of gear, Mario gives memorable performances across the state of Montana, leaving audience members with something remarkable to remember and discuss.

**Upstart Crow**

**SEASON 1** begins 8/5

**SATURDAYS 7:30PM**

It seems most everybody – family, friends, writers & actors – are a little skeptical about young William Shakespeare’s abilities. Clever Gags, lots of slapstick silliness, and some of the best wordplay, as you’d expect from the Bard. Don’t miss this new series.

---

**Star Crossed Lovers**

8/5  7:30PM  Also 8/11 1:30am

Will struggles to find inspiration for Romeo while at the same time having to deal with an angry actor, a very annoying houseguest, and his family’s not-terribly-helpful script suggestions.

---

**The Play’s the Thing**

8/12  7:30PM  Also 8/18 1:30am

Will’s controversial new play is about to be presented to Queen Elizabeth when it goes missing. As the finger of suspicion points at his best friend Marlowe can Will come up with a way to recover his stolen masterpiece? And given its politically sensitive content, is he really wise to want it back?

---

**The Apparel Proclaims the Man**

8/19  7:30PM  Also 8/25 1:30am

Will hopes to move up in the world when he is invited to Lord Southampton’s party. But what should a poorly educated country boy wear to London’s poshest party? And when his rival Sir Robert Greene gives him some fashion tips is it a double bluff, a triple bluff, or something even more fiendish?

---

**Love is Not Love**

8/26  7:30PM

Will has completed his final sonnet and senses literary immortality just around the corner. But will the fair youth and the dark lady like them as much as he hopes? And is Anne likely to be impressed that her husband’s 154 hot new love poems don’t contain much about her?
9:00  Mary Berry's Fantastic Feasts

Retiring to the American West to marry his fiancé, Patricia Terrill (Carroll Baker), Captain James McKay (Gregory Peck) enters a land-and-water feud between his future father-in-law, Major Terrill (Charles Bickford), and the rough and lawless Hannassey family, led by Rufus (Burl Ives). McKay prefers peace between himself and the Hannasseys, who repeatedly attempt to provoke violence. But his steadfast demeanor only angers his fiancé and Major Terrill, who won't settle for truces.

Love & Mercy (2015)

In the late 1960s, the Beach Boys' Brian Wilson stops touring, produces "Pet Sounds" and begins to lose his grip on reality. By the 1980s, Wilson (John Cusack), under the sway of a controlling therapist, finds a savior in Melinda Ledbetter.

Failed college coach Norman Dale (Gene Hackman) gets a chance at redemption when he is hired to direct the basketball program at a high school in a tiny Indiana town. After a teacher (Barbara Hershey) persuades star player Jimmy Chitwood to quit and focus on his long-neglected studies, Dale struggles to develop a winning team in the face of community criticism for his temper and his unconventional choice of assistant coach: Shooter (Dennis Hopper), a notorious alcoholic.

The Chaperone (2019)
Masterpiece
8/12  8:03PM  Also 8/13 1pm
Louise Brooks, the 1920s silver screen sensation who never met a rule she didn't break, epitomized the restless, reckless spirit of the Jazz Age. When the opportunity arises for her to go to New York to study with a leading dance troupe, her mother (Victoria Hill) insists there be a chaperone.

In the spring of 1927, after weeks of incessant rains, the Mississippi River went on a rampage from Cairo, Illinois to New Orleans, inundating hundreds of towns, killing as many as a thousand people and leaving a million homeless. In Greenville, Mississippi, efforts to contain the river pitted the majority black population against an aristocratic plantation family, the Percys, and the Percys against themselves.

When the dastardly villain Hacker (Christopher Lloyd) launches a mad mission to conquer the virtual universe, Motherboard calls upon three earth kids for help. They are Jackie, Matt, and Inez who, along with the wise-cracking cyber-bird Digit (Gilbert Gottfried), travel from their real-world realm to the colorful virtual vistas of cyberspace. Each episode takes the kids on a thrilling adventure driven by a different math concept - from tackling time in ancient Egyptian tombs to making sense of numbers in a fractured fairytale world – as they vanquish the bad guys.
