MontanaPBS Indie Lens Pop-Up Continues with “Mr. SOUL!”

MontanaPBS will screen *Mr. SOUL!* as the second film in their Indie Lens Pop-Up season. The station will host the virtual screening on **February 19, 2021 starting at 7PM MT** in partnership with Basin PBS.

Before Oprah and Arsenio, there was Mr. SOUL! From 1968 into 1973, the public television variety show *SOUL!* offered an unfiltered, uncompromising celebration of Black literature, poetry, music, and politics, capturing a critical moment in culture whose impact continues to resonate today.

These events aim to bring people together for film screenings and community-driven conversations. In effort to minimize in-person events, MontanaPBS has launched their Indie Lens Pop-Up season on OVEE, a free screening platform that allows attendees to participate with the hosts and guests in real time via a chat window and emoji reactions.

Before the film, attendees will have the opportunity to watch a variety of musical performances from the MontanaPBS series, *Live From Home: A Montana Music Special*.

Performances by:

- Luke Dowler
- The Lucky Valentines
- Andre Floyd
- Melissa Forette

To RSVP to the free screening of *Mr. SOUL!*, visit [**montanapbs.org/events**](https://montanapbs.org/events).

MontanaPBS will also provide a door prize for attendees who enter their email address upon RSVP. One winner will be selected at random for a Google Home device as a thank you for attending the free virtual event.
