Pioneer PBS

A CAPITOL FOURTH

Sunday, July 4 at 7 p.m.
Dear valued Pioneer PBS members,

As we launch headlong into summer, Pioneer PBS is thrilled to announce that we will be opening again to the public after the Fourth of July. We look forward to welcoming tours and hosting events in the year ahead. We hope to see you in person again!

The last year has been a challenge for us, as it has been for many of you. The Pioneer PBS staff, board of directors and the communities we serve have all worked hard to help end our fiscal year balanced. We begin our new fiscal year with plenty of challenges ahead, but we’re joyfully beginning production on new seasons of Postcards, Prairie Sportsman and Prairie Yard & Garden. Compass continues its digital-first release and monthly broadcast schedule. So, you will be seeing us out and about throughout the region this summer.

We are currently looking to expand our community advisory board. Recent departures of members from Appleton and Morris leave us looking for new voices to represent those areas and beyond. If you have a passion for public television and your communities, contact us at yourtv@pioneer.org. Please provide your name, a bit about you and your community and the reasons you wish to serve on our community advisory board. We look forward to hearing from you!

We do what we do because of you, but we cannot do it without you. It takes your support, volunteering to stuff envelopes, helping answer phones, letting us know about amazing people and things happening in your communities, as well as being advocates for our programming to others. Thank you so much for watching, for volunteering, for partnering and for supporting Pioneer PBS!

We are beyond proud to serve all of you!

Respectfully,

Shari Lamke, President & General Manager
