PRAIRIE SPORTSMAN
SHOWCASE SPECIAL
SUNDAY, NOV. 28 AT 6:30 P.M.
Dear valued Pioneer PBS members,

It’s been a blessing to have such a lovely fall after a warm and drought-filled summer! I hope folks were able to get out and enjoy the Meander Art Crawl during the first weekend in October. I picked up a few pieces of artwork and thoroughly enjoyed meeting some of the tremendous artists in the region. We hope the harvests were decent and that you and yours are looking forward to Thanksgiving and Christmas.

We were thrilled to host an October 13 event for Caregiver: A Love Story along with MPR and PBS host Cathy Wurzer and Do No Harm Media’s Dr. Jessica Zitter on caring for caregivers. Pioneer PBS was so thankful to have the support of the Southwest Initiative Foundation and many regional partners to help recognize the vibrant, but unpaid workforce—the family caregiver. We hope to continue to be a regional convenor and catalyst on the issues of care for caregivers with all those who helped us pull off this inaugural event together!

To all the family members out there who have made the decision to become the primary caregiver for a family member or friend, thank you for all you do. Please remember to take care of yourselves as well. There are resources available to help you and your loved ones.

Visit our website at pioneer.org/caregiver to browse a few.

We continue to look to expand our community advisory board and would love to find folks with a passion for public television and their communities from the Fergus Falls, Alexandria, Morris, Willmar, Marshall and Sioux Falls areas. For more information go to pioneer.org/CAB/.

We understand that Federated/Farmers Telephone Cooperative is ending their cable coverage in a portion of our viewing area, impacted. Please send that back to us as from that survey we will figure out how best to help you continue to receive our services.

We do what we do because of you, but we cannot do it without you. Check out the back page for some of our upcoming year-end membership drive programming. We are so thankful to have such a great community to serve.

We hope we can inspire you to join us in the spirit of giving this great community to serve.

We do what we do because of you, but we cannot do it without you. Please send us your thoughts and ideas on how best to help you continue to receive our services.

The production crews for Prairie Sportsman, Prairie Yard & Garden and Postcards are finishing up their travels around the state and capturing great stories. Come January, we will once again offer up some great showcases of the region we all love. Our public affairs programming meets the needs of the region. They interact with staff and offer insight to the challenges faced by the community advisory board. We hope to continue to be a regional convenor and catalyst on the issues of care for caregivers with all those who helped us pull off this inaugural event together!

Pioneer PBS receives two Upper Midwest Emmys® for its Postcards program

Pioneer PBS’s locally produced program Postcards has received two regional Emmy® awards from the Upper Midwest Chapter of The National Academy of Television Arts & Sciences during an awards ceremony held October 9, 2021, at the Radisson Blu Hotel at the Mall of America. This is the ninth year in a row that Pioneer has received Upper Midwest Emmys® for its local programs for a grand total of 20 Emmys since 2013.

Two Emmys® were received by the Pioneer PBS Postcards team of Producer Dana Conroy and Videographers/Editors Ben Dempcy and Kristofor Gieske. Since 2013 stories created by this Postcards production team have received 18 Upper Midwest Emmys®.

“The Making of Tuscaloosa in Minnesota” won an award in the Arts and Entertainment — Long Form Content Category. The story features behind the scenes interviews with the film’s director Phillip Harder who made the film in Minnesota and who based his film on a novel by Glasgow Phillips.

“The New Melting Pot of America” won an award in the Lifestyle Category. The story features Mateo Mackbee and Erin Lucas’ restaurant, Krew, in St. Joseph and how they use their restaurant, bakery and farm to promote diversity and teach about food.

The award-winning productions were made possible by Pioneer PBS members, with funding from the Arts and Cultural Heritage Fund and other sponsors.
