PIONEER PREVIEW // MARCH/APRIL 2024

THE ELECTRIC INDIAN

THURSDAY, APRIL 18 AT 8 P.M. // SUNDAY, APRIL 21 AT 2 P.M.
SATURDAY, APRIL 27 AT 8 P.M.
Dear Valued Pioneer PBS members,

As we all anticipate the blossoms of spring and feel blessed for a much calmer winter than last year, it’s good to take a moment to count one’s blessings. We count all of you among our blessings. Thank you for recognizing the value of commercial-free, quality television that lifts the voices from around our region into the media landscape. Membership in your TV station is growing. We are proud to represent our region and to be a part of this community. We are so proud to say, “We Are Yours!”

We are known as producers of quality content, and it’s all thanks to you—our members. We hope you’ll be inspired by our offerings during our most important membership drive of the year. Check out the details for our “We Are Yours” membership drive on page 16 of this guide.

The production staff for Prairie Sportsman, Prairie Yard & Garden and Postcards are thrilled to continue to share your stories statewide and beyond. Our public affairs program Compass will be featured nationwide on the World Channel, raising the voices of this region onto the national stage. We’ve also renewed the national rights for Sympathetic Strings and The Horse Relative. We are so honored that audiences are learning more about this region, its people and the difference they make.

There are many opportunities this spring to get a special preview of programs you’ll read about in this issue. Some events to highlight. We’ll be in Barrett with the Prairie Yard & Garden team in March. There will be a preview screening of The Electric Indian, the inspiring Henry Boucha story with filmmaker Leya Hale in April at the Pioneer PBS facility in Granite Falls. We will also be in Willmar for Life Connections in April. We hope to see you at one of our upcoming events. Stay up to date at pioneer.org/events.

All of these events are examples of the growing network of collaborators that is coalescing around Pioneer PBS as we embody our role as your TV station.

We do what we do because of you, but we cannot do it without you. We are truly blessed by those of you watching, volunteering, partnering and, as always, supporting Pioneer PBS. We are so proud to serve you and to be part of this amazing community! We are so honored to say, we are yours.

Respectfully,

Shari Lamke
President & General Manager

Memorial & Honorarium Gifts

Give to a cause that means a lot to someone you love with the gift that keeps on giving—a memorial or honorarium gift to Pioneer PBS. At a time of loss, a memorial gift or honorarium gift to Pioneer PBS is a way of honoring a loved one on a special day.

For more information about memorial or honorarium gifts, contact our membership team at 800-726-3178 or go to pioneer.org/memorialgifts to learn more.

At Pioneer PBS, our passion and dedication lies in helping lift your voices, serving you quality media programs while providing audiences with opportunities to accurately learn about our region and its people. In our aim to emphasize what our local values are, we also pride ourselves in helping engage our audiences around inspiring and enticing productions. Our motto “we do what we do because of you, but cannot do it without you” embodies that mission of representing you while being part of your community.

In the management and administration of the station, we rely on many talented hands. Some of our talents are internal to our organization, while others are the community. It’s our pleasure in this issue of the Preview Guide to officially introduce one of our major arteries, the Community Advisory Board (CAB).

CAB is a non-governing board of community leaders. Their primary purpose is to advise us on whether our programming meets the needs of our region. It assists our team in fulfilling our mission to inform, educate and entertain. The Community Advisory Board role is also to communicate to our station emerging needs in our various communities. It has an evaluating capacity in terms of our programs and content. Essentially, CAB is an outside arm of Pioneer PBS that offers insight to the challenges and opportunities we might not see from our desks and studios.

In coming issues we will introduce you to members of the CAB and give you an overview of their background and duties within this board.

Member additions to the CAB are made by nominations that are, in turn, submitted to the Community Advisory Board Nominating Committee. Your suggestions on who to nominate to this board is, therefore, welcomed.
