DIY BINOCULARS

SUPPLIES

Toilet paper rolls, tape, glue, scissors, & hole punch

Ribbon, yarn, or string

Scrap paper cut to fit around the toilet paper roll

Decorations of any kind: stickers, glitter, felt, etc.

Tip: Get all of the activity supplies together before you sit down to create the binoculars.
DIY BINOCULARS
THE PROCESS

STEP 1:
Glue scraps of paper around the toilet paper rolls.

STEP 2:
Decorate as desired with markers, stickers, etc.

STEP 3:
Assemble. Tape the rolls together, hole punch on each top side, and attach string or ribbon.
DIY BINOCULARS

GET CURIOUS
Now it's time to remember all the objects you saw with your binoculars. In the space below, draw a picture or write down everything you observed.
