

IN THEIR OWN WORDS: **Angela Merkel**

DECEMBER 28 AT 8PM

One of the most enigmatic and inscrutable world leaders of our time, Angela Merkel's life story reveals the woman behind the veil. Her meteoric rise from a pastor's daughter in Communist East Germany to *Time Magazine's* Person of the Year is a remarkable story of a woman who overcame fierce opposition, a vicious press, and rampant sexism to lead Europe – and the world – in a commitment to freedom for all. Explore how experiences that began in her childhood shaped her politics and ultimately, the face of modern Europe.
