

# 10<sup>TH</sup> & 11<sup>TH</sup> GRADE FROM WEST BALTIMORE

OCTOBER 4 AT 8PM

In March 2020, five high-achieving students from West Baltimore are suddenly faced with the pandemic upheaval – no school, virtual school, isolation, and a lack of community, school, and family resources. Shaker, Davioin, Courtney, Tyler, and Princaya rely on personal resilience while a national spotlight reveals their fears of police brutality – a daily occurrence in their neighborhoods. From their homes in 11th grade, these extraordinary students reveal the meaning of “West Baltimore Strong.”
