

CALL THE MIDWIFE

Holiday Special

It's December 1967, and life in Poplar is returning to normal after the train crash. Trixie (Helen George) is back from Portofino, much to the delight of Matthew (Oily Rix). The midwives move the clinic and are thrilled when one of the first patients is Rhoda Mullocks (Liz White). Nurse Crane (Linda Bassett) cares for a pregnant mother who was recently released from prison, while Sister Frances (Ella Bruccoleri) is called out to deliver a child in a garment factory. Join your favorite nurses and midwives for festive fun and heartwarming stories!
