

# THE TROUBLE WITH MAGGIE COLE

Premieres Sunday, October 18 at 8pm

Created and written by Mark Brotherhood and starring Dawn French, this new comedy drama delves into what happens when idle gossip escalates out of control. Set in a picturesque fishing village, the series centers on Maggie Cole, the self-appointed oracle of this close-knit community. Maggie makes it her business to know a little bit about everyone's lives – and she certainly doesn't pay attention to the cautionary adage that "those in glass houses shouldn't throw stones."
