

MASTERPIECE JANUARY 2 AT 8PM

AROUND THE WORLD IN 80 DAYS

This adaptation of the Jules Verne classic introduces new themes, characters, and stories, drawing in part on the author's own history and echoing the record-breaking around-the-world trip in 1890 by journalist Nellie Bly, in emulation of Verne's plot. David Tennant (*Doctor Who*) stars as the Englishman who bets a fortune that he can circumnavigate the planet in just 80 days – quite a feat in 1872. Ibrahim Koma (*As Far as I Can Walk*) and Leonie Benesch (*Babylon Berlin*) costar as his intrepid traveling companions on an expedition that packs far more adventure than the trio bargained for.

Plus, don't miss the Season 2 premiere of *All Creatures Great and Small* on January 9!
