

Josephine Baker:

THE STORY OF AN AWAKENING

Monday, February 22 at 10pm

World renowned performer, World War II spy, and activist are few of the titles used to describe Josephine Baker. One of the most successful African American performers in French history, Baker's career demonstrates how entertainers can use their fame to change the world. Born into poverty in Missouri in 1906, Baker moved to France, where she became a dancer hailed as the "Queen of Paris" before joining the French Resistance, becoming a civil rights activist, and ultimately creating her dream family, "The Rainbow Tribe," by adopting 12 children from all over the world.
