

BLOODLINE

MONDAY, AUGUST 30 AT 9:30PM

Follow the evolution of Vietnamese-American chef Tu David Phu's culinary aesthetic, tracing back through his childhood and his family's unspoken history of war. The film's narrative is framed around Tu as he returns home to Oakland, California, after competing on the cooking series *Top Chef* (Season 15). As he reflects on that experience and his new visibility as a celebrity chef, Tu traces his unlikely journey from the son of refugees growing up in West Oakland to a professional chef.
