

Channel 67 Antenna Users: Re-Scan Your TVs Broadcast Frequencies Changing

On Tuesday, March 3 at 9am, the Federal Communications Commission (FCC) has ordered local broadcasters to change the frequencies of their channels. This affects Owings Mills, WMPB, Channel 67.

If you use an antenna to watch our free, over-the-air broadcasts, you'll need to perform a re-scan on your TV or converter box. Cable and satellite customers are not affected.

For re-scanning instructions and more information, visit mpt.org/rescan or call MPT Viewer Services at 410-581-4292 or toll-free at 1-800-522-8915.
