Leonard Bernstein’s Kaddish Symphony

Recorded in July 2022, Bernstein protégé Marin Alsop conducts the Chicago Symphony Orchestra in a performance of Bernstein’s “Kaddish” Symphony at the Ravinia Festival. Featuring soprano Janai Brugger, Jaye Ladymore as narrator, and the Chicago Children’s Choir, the dramatic performance creates a musical meditation wherein women’s voices are the tether to the highest powers, while examining the essential, eternal questions of humanity and faith.
