# MAGPIE MURDERS

A mystery author dies under suspicious circumstances, with his last book seemingly unfinished. This leaves two mysteries: What happened to him? And how does his latest potboiler end? Oscar-nominee Lesley Manville (*The Crown, Phantom Thread*) stars as the author's editor, Susan, who assumes the role of detective in the case. Meanwhile, Tim McMullan (*Patrick Melrose*) plays the fictional sleuth in the incomplete novel, whose investigation parallels Susan's.
