

THE CAROL BURNETT SHOW

Carol's Favorites

NEW SEASON PREMIERES JUNE 3 AT 8PM

Get ready for a new season of favorite episodes from one of the most popular and beloved series in the history of television. Starting in 1967 and continuing for 11 straight years, *The Carol Burnett Show* was the ultimate variety show with music, acting, larger-than-life guest stars, and, of course, comedy. New favorites this season include guest star Glen Campbell, who reproduces the amorous post from the *A Star Is Born* album cover with Carol. Campbell also performs "Southern Nights" and duets with Carol, including "Walk Right In" and "Wichita Lineman."
