

HIDING IN PLAIN SIGHT

PREMIERES JUNE 27 AT 9PM

Follow the journeys of more than 20 young Americans from all over the country and all walks of life, who have struggled with thoughts and feelings that have troubled – and, at times – overwhelmed them. *Hiding in Plain Sight* presents an unflinching look at both the seemingly insurmountable obstacles faced by those who live with mental disorders and the hope that many have found after that storm. Focusing on awareness and compassion, the series shines a light on what life looks like for these young people as well as for the parents, teachers, friends, and healthcare providers in their lives.
