

Two lovers follow their hearts in this new adaptation of Henry Fielding's classic novel. *Tom Jones* has delighted and scandalized readers since it was first published in 1749. Solly McLeod (*House of the Dragon*) stars as the hero Tom, with Sophie Wilde (*You Don't Know Me*) as the heroine Sophia and Emmy®-winning Hannah Waddingham (*Ted Lasso*) as the seductive Lady Bellaston. The four-part miniseries was written by BAFTA-nominated Gwyneth Hughes (*Vanity Fair*).
