

Ladies of Letters

PREMIERES MAY 23 AT 10PM

Based on the series of books of the same name, this comedy drama follows two British widows, Irene and Vera, as they reveal their adventures to each other through letters, with each of them trying to outdo the other. Their constant battle of one-upmanship includes stories of blissful holidays, delicious recipes, and grateful grandchildren – when, in reality, both are lonely and taken for granted by their families. As such, their correspondence is a veritable lifeline for them – they need each other. The 10-part series stars Maureen Lipman (*The Pianist*) and Anne Reid (*Last Tango in Halifax*).
