

**PREMIERES  
JULY 4 AT 10PM**

This unique series features stories about critical issues impacting America's natural landscapes, waters, wildlife, and energy resources in a changing climate. Hosted by Bruce Burkhardt, a former environmental reporter for CNN, and a fresh new talent, Caroline Raville, the series focuses on wild and beautiful places you've never heard about and shows how conservationists, fishermen, hunters, and outdoor recreationists are protecting America's natural heritage for future generations. Tune in on Mondays at 10pm and 10:30pm!
