

NATIVE AMERICAN SPECIALS

MONDAYS AT 8PM STARTING NOVEMBER 1

Throughout November, we're featuring programs in recognition of National Native American Heritage Month. On November 1, tune in to *Battle Over Bears Ears* to examine the cultural divides fueling the fight over how the Bears Ear Monument is protected. On November 8, explore the legacy of 19th century Cherokee inventor Sequoyah in *Searching for Sequoyah*. Then, on November 15, don't miss *Almost an Island*, an intimate portrait of an Inupiat family living above the Arctic Circle in Kotzebue, Alaska. And on November 22, find out what led over 600 volunteer soldiers to attack a peaceful settlement of Cheyenne and Arapaho Indians in the documentary *Sand Creek Massacre*.
