

HEMINGWAY

A FILM BY KEN BURNS & LYNN NOVICK

MONDAY, APRIL 5–WEDNESDAY, APRIL 7 AT 8PM

This three-part documentary examines the visionary work and turbulent life of Ernest Hemingway, one of America's greatest and most influential writers. Interweaving his eventful biography – a life lived at the ultimately treacherous nexus of art, fame, and celebrity – with excerpts from his luminous short stories, novels, and non-fiction, we see beyond the façade of the public man, becoming intimately familiar with this brilliant, ambitious, charismatic, and egocentric genius.
