# CALL THE MIDWIFE SEASON 9

Opening with the funeral of Winston Churchill in January 1965, season nine will see Nonnatus House enter a bold and innovative era. The midwives and medics face unexpected challenges as the population shifts, rules change, and old diseases come back to haunt them. Meanwhile, their own experiences are fueled by love, loss, and doubt – and the very fabric of their lives is jeopardized when Nonnatus itself comes under threat of demolition.
